**Lawmen of the Old West** Del Cain, 2001-01-16 Some of the law officers who served the West during the last half of the nineteenth century drifted from one side of the law to the other and sold their talents to whichever side offered the most advantage Others used their positions as cover for their criminal activities The lawmen in this book were serious offenders against the laws they had at one time sworn to uphold Their skills were honed in range wars and family feuds and polished along the cattle trails in the saloons and banks and on the trains of the West Some of them did good work enforcing the law when that was their job Others had equally successful careers on the other side of the law More than one kicked out their lives at the end of ropes strung up by citizens who were outraged by their abuse of the trust that went along with the badge they wore These are their stories

**Crime, Justice and Retribution in the American West, 1850-1900** Jeremy Agnew, 2017-04-11 Western movies are full of images of swaggering outlaws brought to justice by valiant lawmen shooting them down in daring gunfights before riding off into the sunset In reality it would not have happened that way Real lawmen did not simply walk away from a gunfight they had to face the legal system and justify shooting a civilian in the line of duty Providing a more realistic view of criminal justice in the Old West this history focuses on how criminals came into conflict with the law and how the law responded The process is described in detail from the common crimes of the day such as train robbery and cattle theft to the methods of apprehending criminals to their adjudication and punishment by incarceration flogging or hanging

**Outlaws & Lawmen of Western Canada** Edited by Art Downs, 1983 Dramatic cases involving Western Canada s pioneer lawmen Included are The Mad Trapper of Rat River Saskatchewan s Midnight Massacre The Yukon s Christmas Day Assassins When Guns Blazed at Banff The Strangler Who Terrified the Prairies and British Columbia s Boone Helm The Murdering Cannibal

variety of backgrounds in the East and the West of the eight men whose stories DeArment tells one began as an officer for an express company and another was the head of an organization of local lawmen Others included a railroad detective a Texas Ranger a Pinkerton operative and a shotgun messenger for a stagecoach line All were tough survivors living through gunshot wounds snakebites disease buffalo stampedes and every other hazard of life in the Wild West They also crossed paths with famous criminals and sheriffs from John Wesley Hardin and Sam Bass to Wyatt Earp Butch Cassidy and the Sundance Kid Telling the true stories of famous men who risked their lives to bring western outlaws to justice *Man Hunters of the Old West* dispels long held myths of their cold blooded vigilantism and brings fresh nuance to the lives and legends that made the West wild *American Book Publishing Record* ,2003
