KPK and ACC largely focused on mid senior level targets and faced resistance primarily in the form of constitutional challenges to their jurisdictions and powers From 2008 however the KPK began targeting politically powerful figures drawing resistance that now threatens the future efficacy of both institutions It is largely in Indonesia s courtrooms and lawmaking institutions that key battles between reformists and those preferring the status quo have played out This book describes and analyses these judicial processes and legal changes It shows that despite persistent claims that Indonesia s legal system is dysfunctional law is far from irrelevant in modern day Indonesia The book is a useful contribution to South East Asian politics and Asian law **The Law Journal Reports** ,1912 *Company Law* Sir Francis Beaufort Palmer,1924
 The Publishers' Trade List Annual ,1882 *Legal Intelligencer* ,1858 *Law Books in Action* Angela Fernandez,Markus Dubber,2012-04-02 *Law Books in Action* Essays on the Anglo American Legal Treatise explores the history of the legal treatise in the common law world Rather than looking at treatises as shortcuts from law in books to law in action the essays in this collection ask what treatises can tell us about what troubled legal professionals at a given time what motivated them to write what they did and what they hoped to achieve This book then is the first study of the legal treatise as a law book in action an active text produced by individuals with ideas about what they wanted the law to be not a mere stepping stone to codes and other forms of legal writing but a multifaceted genre of legal literature in its own right practical and fanciful dogmatic and ornamental in turn This book will be of interest to legal scholars lawyers and judges as well as to anyone else with a scholarly interest in law in general and legal history in particular
