The Layman's Guide To Rightly Dividing The Word of Truth Karry Easley, 2019-06-10 Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word. If we follow these guidelines we will be able to know God's will and his truth. God does not intend for us to know everything in this life for faith is crucial to the Christian life but that which He is willing to share is there inside His Word. However one must know how to approach it. This book not only shows you how to do this but gives examples of it being applied. It also covers many biblical doctrines using this format to show how these doctrines must be understood.

I have known Dr. Lito as a community leader, writer and a good psychiatrist par excellence. The community has known him since the time of college plays like *The Sound of Music* at St. Paul University where he played the illustrious Capt.
