Mormonism 101 Bill McKeever, Eric Johnson, 2015-04-14 Mormonism is one of the fastest growing religions in the world For those who have wondered in what specific ways Mormonism differs from the Christian faith Mormonism 101 provides definitive answers examining the major tenets of Mormon theology and comparing them with orthodox Christian beliefs Perfect for students of religion and anyone who wants to have answers when Mormons come calling *Both Swords and Ploughshares* Ineke Bockting, Linda Martz, 2015-10-13 This collection of essays examines interactions of war peace and religion in the United States a country where religious faith was and still is often deeply felt and widely held where faith has provided a set of values to uphold with fervor or to transgress in protest and where religion has been used to legitimize both armed violence and passive resistance These essays analyze the mythos of America as a place of religious freedom yet one imbued with a socially imposed civil religion and underpinned by a heavy presumption of Protestant dominance With subjects ranging from the War of Independence to the early 21st century the contributions to this volume focus on a variety of historical and chronological circumstances in order to consider what concrete tangible outcomes what artifacts were produced by the interface of war peace and religion the swords and ploughshares of the title This volume thus presents a variety of often multifaceted responses that reflect its interdisciplinary scope Some contributions refer to fine art pieces including statues paintings and murals and others to works of literature theology or public speaking Some of these interfaces were performed on stage or in film while yet others were heard on the radio or read in newspapers or journals Some of the essays gathered here concern individuals working through the meaning of armed conflict in terms of their own personal faith while others examine the impact of such conflicts on a larger scale as with whole faith communities or in the shaping of national or foreign policy The first part Communities looks at interfaces that served to structure a whole community The second Margins examines instances where the relationship between religion and war and peace has occupied a more marginal space within a faith community The final section turns this interface Outward situating it away from American soil or noting how foreign war shaped the spirituality of those returning *Cult Shock* Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler's recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence **The Old Testament Seminary Home Study Teacher Manual** Church of Jesus Christ of Latter-day Saints. Department of Seminaries and Institutes of Religion, 1980* Lowell L. Bennion Mary Lythgoe Bradford, 1995 Lowell L Bennion is legendary in many circles An LDS institute instructor and professor of sociology

at the University of Utah he was never content simply to quantify social ills or to preach against them but actively set out to correct what he could He founded and directed the Teton Valley Boys Ranch served as executive director for the Salt Lake City Community Services Council and organized other charities His heart was with the underprivileged He detested Pharisaism and often quoted biblical passages on the topic adapted to a Mormon ear As your treading is upon the poor I hate I despise your fast days and I will not dwell in your solemn assemblies Take thou away from me the noise of thy songs for I will not hear Woe unto them that are at ease in Zion Bennion passed away in 1996 just after this biography was released leaving an enormous void where he had been a beacon to humanitarian and liberation causes in his community

Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world's countries It's clear that their influence is still growing in our communities places of business and in the political arena It's also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co-workers and from fellow believers as well In this updated and expanded edition of McKeever's popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle such tough questions as Why don't you accept Mormons as Christians Do you believe Mormonism is a cult If the LDS church is not true which church is How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons

The Artifact Chronicles - Episode One: A Legend Comes to Life Dennis Wengert, 2018-08-13 Unexpectedly stumbling upon a precious LDS Artifact Aaron Atwater Jamison Dawtry and Laura Comyers embark on an improbable journey of danger and intrigue What they assume will be an innocent temporary possession of the Artifact turns into a desperate attempt to return it before its rightful owner discovers the priceless piece is missing But before they can the three teens get a first hand lesson in LDS Church history in the 1830s as it is actually happening Along the way their friendship and endurance are challenged in ways none of them expect Ways that could alter their lives forever

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 It's the Christmas season the most wonderful time of the year for most people in River City California But for Jehovah's Witnesses Lawrence and Brad it's a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule

disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom. Whereas for Elders Skousen and Marshall two Latter-day Saint Mormon missionaries the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well. In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh-day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs. But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovah's Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum. Who if anyone really has the Truth? Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season? Are objections raised about the secularization and rampant commercialism of the modern celebration valid? Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions. Readers of the author's earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book. **Federal Supplement**, 1979. **Book of Mormon Seminary Teacher Outline** Church Educational System (Church of Jesus Christ of Latter-day Saints), 1982. *Dialogue*, 1974. A journal of Mormon thought. Elder Statesman D. Michael Quinn, 2002. The young Reuben Clark struggled to gain an education in rural Granville Utah. Finally in 1890 at considerable inconvenience to his parents he attended college in Salt Lake City then Columbia University in Manhattan. Later he would become Undersecretary of State Ambassador to Mexico and counselor to three Mormon prophets. Quinn's revisitation of Clark's life might well be the last great biography of a twentieth-century Mormon leader.
