Neelamegham, 2012 This book provides a comprehensive overview of the current marketing environment in India. It examines the changing dynamics of marketing management against the backdrop of globalization and liberalization, analysing how both marketers and consumers are adapting to radical changes. Wayfare of a Soldier Madhur Goyal, 2021-01-11 Military literature is packed with jottings of service officers who get bloodied in battle, those who lead, perform and sometimes die to bring victory and glory to their regiment and the country. This book is a complex amalgam of military musings over the past 37 years, pieced together with some storyline, adhesive of the first-hand account of a frontline combat soldier, Colonel Madhur Goyal SM, who led his men into glacial warfare and numerous counter-terrorist operations. He says, 'There were abundant occasions when there was no reason for me to come out alive. The officer was suitably awarded for indomitable courage and conspicuous bravery with a Gallantry award. This autobiographical account will delight the readers with its anecdotal content and a huge amount of information contained in it, which even mirrors the military journey of every Indian Army officer. A must read for youngsters who aspire to join the forces, for military spouses to get an insight into their husbands' life, and for young girls to passionately look out for a future companion in military uniform. Wayfare of a Soldier is like a symphony played by an orchestra with many artists and with Madhur as the protagonist.'

Naga@60 B Naga Bhushan, Shashtipurti is a milestone that marks celebration and gratitude for the life given by God. It is

a pointer to a new journey A pointer to spend the rest of one's life reflecting inward discovering self and the person behind the persona It's a wake up call to lose yourself so you can find yourself After 60 years all the planets in the Zodiac come to the same position as the actual date of birth of the individual It's another signal from the universe to return to our innocence Sixty years is a long time in the life of an individual and in my family the completion of 60 years is celebrated as an important milestone My eldest brother did a homam and pooja in our house while my second brother was fortunate to celebrate the shashtipurti completion of 60 years in a very traditional manner under the able aegis of his knowledgeable father in law I also like the way we celebrated the shashtipurti of my second sister in law We went to a veda patashala performed poojas for about four hours amidst the chanting of thirty and odd young bright students of the school followed by lunch with about sixty veda pandits Vedas tell us that sashtipurthi can be performed through out the year the month or the day a person completes their sixty years on the earth and the scriptures give full freedom to celebrate this occasion in whichever way it gives us peace and in whichever place is appropriate at a temple by the river or at home Janmaabde Janmamaasecha Swajanmadivase tathaa Janmarshe chaiva kartavyaa santi rugrarathaahvayaa Devaalaye nadeeteere swagruhe vaa subhasthale Inspired by my brother I seriously considered celebrating my shashtipurti by going to a veda patashala However I am not a ritualistic person and so changed my plans to celebrate my shashtipurti to reflect my personality by celebrating the lives of sixty people who are very close to my heart by writing about them and publishing a book Now that I have a goal I started the process of identifying and jotting down names and anecdotes of the sixty people in my life who have made me what I am today All of these people have influenced inspired and enlightened me simply by their association Each one of them has taught me invaluable life lessons and have made my stay on earth a worthy experience I will forever be indebted to them My biggest dilemma in this process of identifying the sixty people is being perceived as not showing enough appreciation for everyone else who is important to me It is just coincidental that I have my sixtieth birthday coming up and I wanted to acknowledge sixty of the most important people in my life Needless to say there are many people outside this list who are very dear to me and if you are reading this book chances are you are one of them too This is my first major attempt at writing a book and I hope I am able to make the time you are taking to read it worth it
