Adams, 2021-08-03 Do teachers have a front row seat to America's decline Jeremy S Adams a teacher at both the high school and college levels thinks so Adams has spent decades trying to instill wisdom ambition and a love of learning in his students And yet as he notes when teachers get together they often share an arresting conclusion Something has gone terribly wrong Something essential is missing in our young people Their curiosity seems stunted their reason undeveloped their values uninformed their knowledge lacking and most worrying of all their humanity diminished Digital hermits of a sort unfamiliar to an older generation they have little interest in marriage and family They largely dismiss and are shockingly ignorant of religion They sneer at patriotism sympathize with riots and vandalism and regard American society and civilization as so radically flawed that it must be dismantled Often friendless and depressed they eat alone study alone and even socialize alone Educators like Adams see a generation slipping away The problems that have hollowed out our young people have been festering for years A year of COVID 19 lockdowns and social distancing have magnified them The result could be a generation and our nation's future lost in a miasma of alienation and stupefaction In his stunning new book Hollowed Out Jeremy S Adams reveals why students have rejected the wisdom culture and institutions of Western civilization and what we can do to win them back Poignant frightening and yet inspiring this is a book for every parent teacher and patriot concerned for our young people and our country **Politically Incorrect Guide to Real American Heroes** Brion McClanahan, 2012-11-12 As presidential candidates sling dirt at each other America desperately needs a few real heroes Tragically liberal historians and educators have virtually erased traditional American heroes from history According to the Left the Founding Fathers were not noble architects of America but selfish demagogues And self made entrepreneurs like Rockefeller were robber barons and corporate polluters Instead of honoring great men from America's past kids today now idolize rock stars pro athletes and Hollywood celebrities In his new book The Politically Incorrect Guide to Real American Heroes author Brion McClanahan rescues the legendary deeds of the greatest Americans and shows why we ought to venerate heroes like Captain John Smith adventurer Daniel Boone General Robert E Lee and many more The Politically Incorrect Guide to Real American Heroes not only resuscitates America's forgotten heroes but sheds light on the Left's most cherished figures including Franklin Delano Roosevelt and the Kennedys With biting wit and devastating detail McClanahan strikes back against the multicultural narrative peddled by liberal historians who make heroes out of pop culture icons and corrupt politicians In America's hour of peril McClanahan's book is a timely and entertaining call to remember the heritage of this great nation and the heroes who built it Politically Incorrect Guide to
