dating back to the start of interscholastic sports in the early 1900 s part inspirational story with tales of NFL and Olympic heroes this book gives us hope for better days ahead by reflecting on an inspirational past Coach Sepulveda rekindles my belief in the athletes and the coaches that make up interscholastic sports Buy this book to learn and to be entertained David Andres Sportsman Continental North America Bureau From the Author About the Authors Chris Edwards 3 Track focused around fitness sports history and healthy life balance The current endeavor is a book series beginning with book 1 of a 3 part series The book series is titled Coach Robert Sepulveda the Historical Crossroads of Football Track it is national in scope as many associated coaches and athletes had a national or international influence in athletics politics and world events with the common theme of all being touched by the Alamogordo Track we are the blessed ones Michael Jordan once said Life is often compared to a marathon but I think it is more like being a sprinter long stretches of hard work punctuated by brief moments in which we are given the opportunity to perform at our best Many people debate who should receive the credit for Michael Jordan s success Is it Coach Phil Jackson or is it Michael Jordan These two things are not mutually exclusive This author team of Chris he is just a good hard working coach and a good responsible person who cares about the kids in his charge That for anyone who is paying attention is all the message that is necessary For anyone who is not paying attention no message is possible Interscholastic Sports programs rather in the small town of Alamogordo New Mexico or in the large cities such as Manhattan have had a history of controversy with loud and outspoken proponents and equally loud critics Alamogordo High School began an organized sports program in 1912 for Caucasian boys offering PE Track Field Basketball and Football In 1941 Alamogordo Track and Field sent another athlete to the state meet named John Bud Wilborn who medaled John Bud Wilborn Factoid

key turning point in this story and the authors provide vivid details of strength training's impact on the gridiron most significantly when University of Nebraska football coach Bob Devaney hired Boyd Epley as a strength coach in 1969. National championships for the Huskers soon followed leading Epley to launch the game-changing National Strength Coaches Association. Dozens of other influences are explored with equal verve from the iconic Milo Barbell Company to the wildly popular fitness magazines that challenged physicians' warnings against strenuous exercise.
