

Human Body Quest

Team Members:

System: _____

Your team's job is prepare a presentation to educate your classmates about one of the body systems that makes up the human body. Your presentation must include the following requirements:

Part 1: Introduction

Tell the name of your organ system and describe the major functions.

Part 2: Diagram

Provide a diagram of your body system with the major parts or organs labeled with their name and functions.

Part 3: Teamwork

Explain how your body system works with others in the body.

Part 4: Fun Facts

Find 5 facts about your body system or its parts.

Each team will also be provided with a Body System Checklist of important terms or items that must be included in the presentation. Teams may use their health textbooks, reference materials, or online resources to research their organ system.

Teams will be allowed five to seven class periods to create a Power Point presentation and fill-in-the-blank worksheet with a diagram of your system. The presentation must be made using the Power Point program and saved on a computer disk provided by your teacher. The presentation must consist of at least 5-6 slides and no more than 8 slides including the title slide.

Date disks and worksheets will be collected on _____.

Teams will not be allowed to continue working on their projects after this date.
