Argentina Kenneth T. Rivera, 2002 Even a casual observer can see that Argentina is in dire straits As interim president follows interim president in the wake of rioting the country cannot meet its foreign debt and has devalued its currency The economy is falling unemployment is high and social services are in trouble Because of large budgetary deficits international monetary organisations have withheld loans and the Argentine government imposed restrictions on bank withdrawals to prevent a catastrophic run on currency Argentina may yet pull itself from the abyss over which it teeters but the road back will be neither quick nor painless This book provides a comprehensive look at Argentina its growth as a nation and its current predicament

Re-imagining Policing in Canada Dennis Cooley, 2005-12-15 Policing in Canada is in the process of change similar to other nations in the western world many of the policing services that were provided by public forces in the past are being gradually handed over to private security agencies Complex networks of policing that reflect a mix of public and private security providers are emerging and this transformation has serious implications for how Canadians interact with one another For instance if residents of a gated community or members of a downtown business association pay for their own policing services rather than relying on the public police whose law is being enforced With this collection Dennis Cooley has brought together some of the top minds in criminology and policing to examine the phenomenon of the changing nature of policing in Canada The essays describe the character and constitution of security in Canada and explore the implications of these changes in terms of larger questions about power social control justice and law Wide ranging and topical *Re-imagining Policing in Canada* will prove essential reading for policy makers and scholars alike
