Sinners in the Hands of a Loving God Brian Zahnd, 2017-08-15

Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father. The book isn't only an interesting look at the context of some modern theological ideas; it also offers some profound insight into God's love and eternal plan. Relevant Magazine named one of the Top 10 Books of 2017. *God is wrath Or God is Love*. In his famous sermon *Sinners in the Hands of an Angry God*, Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry, violent, and retributive. Three centuries later, Brian Zahnd was both mesmerized and terrified by Edwards's wrathful God. Haunted by fear that crippled his relationship with God, Zahnd spent years praying for a divine experience of hell. What Zahnd experienced instead was the Father's love revealed perfectly through Jesus Christ for all prodigal sons and daughters. In *Sinners in the Hands of a Loving God*, Zahnd asks important questions like: Is seeing God primarily as wrathful towards sinners true or biblical? Is fearing God a normal expected behavior? And where might the natural implications of this theological framework lead us? Thoughtfully wrestling with subjects like Old Testament genocide, the crucifixion of Jesus, eternal punishment in hell, and the final judgment in Revelation, Zahnd maintains that the summit of divine revelation for sinners is not God is wrath but God is love.

In the Hands of God Manuel Ramos, 2021-07-20. *In the Hands of God* is a true story of miracles, redemption, and the return of a prodigal son and his journey home through the understanding of the Scriptures that helped him see his way through the enemy's maze of deceit, fighting demons, and cheating death along the way.

The Danger of Falling Into the Hands of the Living God Matthew Mead, C. Matthew McMahon, 2016-06-13. In this convicting work directed to increase a healthy fear of the Living God to Christians, Mead works from Hebrews 10:31. It is a fearful thing to fall into the hands of the Living God. Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives. Every sinner redeemed or remaining in unbelief will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly. Necessarily, as God requires an account of their life and everlastingly where the final state of the sinner will be determined. Mead demonstrates that having such a healthy fear of falling into God's hands is evidenced from that terror which sinners themselves many times feel under the sense of God's wrath in this world. Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God. This union with Christ, God's only Redeemer, is such a union as that by it a man's state is fundamentally changed so that he is no longer a child of wrath. It is a union fixed in the blessed state of justification and the forgiveness of sins. By virtue of this union, he has a right to all the blessings of the covenant. This is what gives Christians great boldness in the day of judgment to stand before the Living God in whose hands they are judged. Broken Tools in God's Hands Keith Ellerbrock,2010-10 I may be forgiven maybe but after what I ve done my life is basically over I m damaged goods now Forgiven Sure Able to be used Maybe for little stuff maybe but never again for anything important Ever thought things like that Join the club They re lies though lies we often speak to ourselves Broken Tools In God s Hands was written so you can know God s rescuing grace more deeply and be set free to serve Him with new hope and joy in your heart Do you think God can t use you when you re broken Then ponder this The truth is God can only

use you as He desires when you're broken when you plainly see your sinfulness your helplessness your need for the Savior That's when Jesus can pour out His blood bought declaration of not guilty into your life declare you to be His perfect tool and use you for mighty things Author Keith Ellerbrock invites you to take a close look at the ugly underbelly of some of the biblical heroes of faith so you can see that they were just as messed up by nature as you are then take a closer look at God's amazing grace toward them to see that since the blood of Jesus was able to forgive and cleanse these flawed and tainted saints it's more than able to forgive and cleanse you Just as God gave them second third and however many chances so He gives those clean do-overs to you And He will use you You have His Word on it St Louis native Keith Ellerbrock has been a pastor in the Lutheran Church Missouri Synod for 25 years He currently serves Trinity Lutheran Church in Bridgeton Missouri He's the undeservedly blessed husband of Dawn and father of Erin Adam and Daniel *In God's Hands, We Grow* Peter Sjoberg, 2022-05-10 This book contains poems of different styles and varieties I began writing love poems to my wife while stationed in Korea Once I returned from Korea my poems matured into a more Christian and miscellaneous type of work After writing over one hundred Christian poems I began to focus once again on poems stemming from my personal feelings Although my Christian poems seem to be longer and more in depth I believe you will find value in all poems within The Christian poetry was formulated from my relationship with God at various times of my life Furthermore my Christian poems have narratives proceeding each poem explaining the motivation behind each work The love poems all stem from the separation from my family while stationed in Korea for a year They convey a sense of longing and urgency that can only come from a place of despair Some of my later miscellaneous works have the same tone to them The miscellaneous works contained within were written to share a more lighthearted look at life They stem from the thoughts I had just going through normal day to day activities I believe that the wondrous variety of poetry in this book makes it the perfect read reflecting one's daily thoughts and activities **the laying on of hands** ray brown, 2020-05-06 This book was initially birthed out of my personal Bible study as I contemplated the infilling and the baptism of the Holy Ghost God's established preference or propensity if you will to employ the phenomenon of the laying on of hands for healing and for the impartation of the gift of the Holy Ghost has always intrigued me Specifically God's use of his chosen disciple from Damascus named Ananias to lay hands upon Saul of Tarsus so that he might receive his sight and be filled with the Holy Ghost has fascinated me since I was a young boy in Sunday school The entire Road to Damascus narrative and the LORD Jesus Christ's singular even dreadful awe inspiring appearance to the mean spirited Pharisee Saul engaged and captivated me This book addresses religious bigotry and the innate inescapable pride and prejudice and perceived spiritual superiority of sectarian indoctrination Although I originally set out to study the dynamic wonder of God choosing to employ men to minister unto other men and his utilizing the laying on of hands to impart the infilling of the Holy Ghost the emphasis of my study quickly and seamlessly transitioned from the importance of men to focus on the gift of God the gift of God of himself the gift of the Holy Ghost God gives himself

away in and by the comprehensive Christ both the Father and the Son by the Holy Ghost It is my desire to magnify the LORD Jesus Christ by focusing upon the purposeful evangelical outreach of God's love that the Father might be glorified in the Son It concerns and distresses me that as a nation we have waned in our desire for more of God Broadly we have settled for gimmicks and questionable entertainment and have silently colluded with one another in spiritual compromise so that we can have more of what the world has We have settled for shiny things and an unsustainable and unrealistic social acceptance rather than seeking God Broadly we no longer wait upon God or tarry for the gift of the Holy Ghost or for the refreshing which would reignite us as viable zealous and then incendiary witnesses of the saving power of the LORD Jesus Christ to a lost and desperate disillusioned world Someone has to address our complacency and compromise without apology and this book does just that The inimitable marvel of the baptism of the Holy Spirit and incomparable personal encounter with the power of God can transform our entire life and character and attitude resuscitate and rekindle our contemporary worldly conciliatory Christianity and then progressively and resolutely develop us into the ardent disciples of Jesus Christ we were intended to be This work endeavors to accurately and appropriately return the emphasis of the baptism of the Holy Ghost to God's evangelical perspective and ye shall be witnesses unto me Acts 1:8 God's Word in Our Hands James B.
