

In The Shadow Of The Mexican Revolution

Jurgen Buchenau, Timothy Henderson

In The Shadow Of The Mexican Revolution:

In the Shadow of the Mexican Revolution Héctor Aguilar Camín, Lorenzo Meyer, 1993 Héctor Aguilar Camín and Lorenzo Meyer two of Mexico's leading intellectuals set out to fill a void in the literature on Mexican history the lack of a single text to cover the history of contemporary Mexico during the twentieth century *A la sombra de la Revolución Mexicana* now available in English as *In the Shadow of the Mexican Revolution* covers the Mexican Revolution itself the gradual consolidation of institutions the Cárdenas regime the Mexican economic miracle and its subsequent collapse and the recent transition toward a new historical period The authors offer a comprehensive and authoritative study of Mexico's turbulent recent history a history that increasingly intertwines with that of the United States Given the level of interest in Mexico likely to increase still more as a result of the recent liberalization of trade policies this volume will be useful in affording U.S. readers an intelligent comprehensive and accessible study of their neighbor to the south **The Mexican Revolution, 1910-1940** Michael J.

Gonzales, 2002-02-04 This judicious history of modern Mexico's revolutionary era will help all readers and in particular students understand the first great social uprising of the twentieth century In 1911 land hungry peasants united with discontented political elites to overthrow General Porfirio Díaz who had ruled Mexico for three decades Gonzales offers a path breaking overview of the revolution from its origins in the Díaz dictatorship through the presidency of radical General Lázaro Cárdenas 1934-1940 drawn from archival sources and a vast secondary literature His interpretation balances accounts of agrarian insurgencies shifting revolutionary alliances counter revolutions and foreign interventions to delineate the triumphs and failures of revolutionary leaders such as Francisco I. Madero Pancho Villa Emiliano Zapata Álvaro Obregón and Venustiano Carranza What emerges is a clear understanding of the tangled events of the period and a fuller appreciation of the efforts of revolutionary presidents after 1916 to reinvent Mexico amid the limitations imposed by a war torn countryside a hostile international environment and the resistance of the Catholic Church and large land owners The Mexican Revolution Douglas W. Richmond, Sam W. Haynes, 2013-06-07 In 1910 insurgent leaders crushed the Porfirian dictatorship but in the years that followed fought among themselves until a nationalist consensus produced the 1917 Constitution This in turn provided the basis for a reform agenda that transformed Mexico in the modern era The civil war and the reforms that followed receive new and insightful attention in this book These essays the result of the 45th annual Walter Prescott Webb Memorial Lectures presented by the University of Texas at Arlington in March 2010 commemorate the centennial of the outbreak of the revolution A potent mix of factors including the concentration of wealth in the hands of a few thousand hacienda owners rancheros and foreign capitalists the ideological conflict between the Díaz government and the dissident regional reformers and the grinding poverty afflicting the majority of the nation's eleven million industrial and rural laborers provided the volatile fuel that produced the first major political and social revolution of the twentieth century The conflagration soon swept across the Rio Grande indeed *The Mexican Revolution* shows clearly that the struggle in Mexico

had tremendous implications for the American Southwest During the years of revolution hundreds of thousands of Mexican citizens crossed the border into the United States As a result the region experienced waves of ethnically motivated violence economic tensions and the mass expulsions of Mexicans and US citizens of Mexican descent *The Mexican Revolution* Stuart Easterling,2013-01-11 An excellent account and analysis of the Mexican Revolution its background its course and its legacy an important contribution and a must read Samuel Farber author of Cuba Since the Revolution of 1959 The most significant event in modern Mexican history the Mexican Revolution of 1910 20 remains a subject of debate and controversy Why did it happen What makes it distinctive Was it even a revolution at all In *The Mexican Revolution* Stuart Easterling offers a concise chronicle of events from the fall of the longstanding Díaz regime to Gen Obregón's ascent to the presidency In a comprehensible style aimed at students and general readers Easterling sorts through the revolution's many internal conflicts and asks whether or not its leaders achieved their goals *The Mexican Revolution's Wake* Sarah Osten,2018-02-22 A social and political history of Mexico's first political system after the Revolution that demonstrates the critical influence of regional socialist parties *Plutarco Elías Calles and the Mexican Revolution* Jürgen Buchenau,2023-06-14 This biography of the Mexican revolutionary examines his rise from soldier to president to his continued influence as Jefe Máximo Hailing from the border state of Sonora Plutarco Elías Calles found his calling in the early years of the revolution quickly rising to national prominence As president from 1924 to 1928 Calles undertook an ambitious reform program modernized the financial system and defended national sovereignty against an interventionist U S government Yet these reforms failed to eradicate underdevelopment corruption and social injustice Moreover his unyielding campaigns against political enemies and the Catholic Church earned him a reputation as a repressive strongman After his term as president Calles continued to exert broad influence as his country's foremost political figure while three weaker presidents succeeded each other in an atmosphere of constant political crisis He played a significant role in founding a ruling party that reined in power hungry military leaders and helped workers attain better living conditions This dynastic party and its successors including the present day Partido Revolucionario Institucional Party of the Institutional Revolution remained in power until 2000 Through this comprehensive assessment of a quintessential Mexican politician Buchenau opens an illuminating window into both the Mexican Revolution and contemporary Mexico *Fearless Women in the Mexican Revolution and the Spanish Civil War* Tabea Alexa Linhard,2005 Study of the role women played in the Mexican Revolution and the Spanish Civil War Examines female figures such as the soldaderas of the Mexican Revolution and the milicianas of the Spanish Civil War and the intersection of gender revolution and culture in both the Mexican and the Spanish contexts Provided by publisher ***Zapata and the Mexican Revolution*** John Womack,1970-08-12 This essential volume recalls the activities of Emiliano Zapata 1879 1919 a leading figure in the Mexican Revolution he formed and commanded an important revolutionary force during this conflict Womack focuses attention on Zapata's activities and his home state of Morelos during

the Revolution Zapata quickly rose from his position as a peasant leader in a village seeking agrarian reform Zapata's dedication to the cause of land rights made him a hero to the people Womack describes the contributing factors and conditions preceding the Mexican Revolution creating a narrative that examines political and agrarian transformations on local and national levels

Working Women into the Borderlands Sonia Hernández, 2014-02-18 In *Working Women into the Borderlands* author Sonia Hernández sheds light on how women's labor was shaped by US capital in the northeast region of Mexico and how women's labor activism simultaneously shaped the nature of foreign investment and relations between Mexicans and Americans As capital investments fueled the growth of heavy industries in cities and ports such as Monterrey and Tampico women's work complemented and strengthened their male counterparts labor in industries which were historically male dominated As Hernández reveals women laborers were expected to maintain their proper place in society and work environments were in fact gendered and class based Yet these prescribed notions of class and gender were frequently challenged as women sought to improve their livelihoods by using everyday forms of negotiation including collective organizing labor arbitration boards letter writing creating unions assuming positions of confianza trustworthiness and by migrating to urban centers and or crossing into Texas Drawing extensively on bi-national archival sources newspapers and published records *Working Women into the Borderlands* demonstrates convincingly how women's labor contributions shaped the development of one of the most dynamic and contentious borderlands in the globe

Political Conflict and Development in East Asia and Latin America Richard Boyd, Galjart Benno, Tak-Wing Ngo, 2007-01-24 Long run processes of socio-economic change generate prodigious problems of social conflict and social control and governments responsible for these processes must therefore manage the resultant conflict Consequently the success or failure of a government's management of such conflicts is a crucial factor in development outcomes This volume investigates the political struggle for development specifically in two vital regions East Asia and Latin America This analysis calls into question the dominant emphasis on institutional and cultural bases for stable growth A careful historical account of the two regions is presented which permits the rigorous testing of conventional wisdoms regarding development Of importance to a broad range of academics in the spheres of development studies politics political economy and sociology this book will also make an interesting read for those with a general interest in these areas

Mexicano Political Experience in Occupied Aztlan Armando Navarro, 2005-07-14 This exciting new volume from Armando Navarro offers the most current and comprehensive political history of the Mexicano experience in the United States He examines in depth topics such as American political culture electoral politics demography and organizational development Viewing Mexicanos today as an occupied and colonized people he calls for the formation of a new movement to reinvigorate the struggle for resistance and change among Mexicanos Navarro envisions a new political and cultural landscape as the dominant Latino population Re-Mexicanizes the U S into a more multicultural and multiethnic society This book will be a valuable resource for political and social activists and

teaching tool for political theory Latino politics ethnic and minority politics race relations in the United States and social movements **State Governors in the Mexican Revolution, 1910-1952** Jürgen Buchenau, William H. Beezley, 2009-03-16 This unique book traces Mexico's eventful years from 1910 to 1952 through the experiences of its state governors. During this seminal period revolutionaries destroyed the old regime, created a new national government, built an official political party, and then discarded in practice the essence of their revolution. In this tumultuous time, governors, some of whom later became president, served as the most significant intermediaries between the national government and the people it ruled. Leading scholars study governors from ten different states to demonstrate the diversity of the governors' experiences implementing individual revolutionary programs over time, as well as the waxing and waning of strong governorship as an institution that ultimately disappeared in the powerful national regime created in the 1940s and 1950s. Until that time, the contributors convincingly argue, the governors provided the revolution with invaluable versatility by dealing with pressing issues of land, labor, housing, and health at the local and regional levels. The flexibility of state governors also offered test cases for the implementation of national revolutionary laws and campaigns. The only book that considers the state governors in comparative perspective, this invaluable study offers a fresh view of regionalism and the Revolution. Contributions by William H. Beezley, Jürgen Buchenau, Francie R. Chassen-Lopez, Michael A. Ervin, Marta Teresa Fernández Aceves, Paul Gillingham, Kristin A. Harper, Timothy Henderson, David LaFrance, Stephen E. Lewis, Stephanie J. Smith, and Andrew Grant Wood *The Mexican Revolution* Jürgen Buchenau, Timothy Henderson, 2022-10-03 Henderson and Buchenau have done an excellent and thoughtful job of collecting a wide range of voices for students to learn about the Mexican Revolution and its causes, both from above and from below. I'm particularly appreciative of the authors' inclusion of women's voices and women's issues of the era, including the point of view of the first woman elected to public office in Mexico. They deserve praise for including documents that complicate widely accepted heroic revolutionary narratives of the period for students, such as the experience of soldaderas and the massacre of Chinese people in Torreón. It is also worth mentioning that the editors have done an admirable job in choosing documents from across Mexico's many diverse and heterogeneous regions. The general Introduction is excellent; it is both accurate and highly readable for students. It is no easy feat to succinctly describe both the events and the significance of this period in Mexican history, as the authors have done here. Sarah Osten, The University of Vermont

Contemporary Mexican Politics Emily Edmonds-Poli, David A. Shirk, 2020-03-10 This comprehensive and engaging text explores contemporary Mexico's political, economic, and social development and examines the most important policy issues facing the country today. Readers will find this widely praised book continues to be the most current and accessible work available on Mexico's politics and policy *Mexican Banking and Investment in Transition* John A. Adams, 1997-04-22 Banking and investment in Mexico have changed radically over the past decade, and the economic events that prompted these changes will have a significant impact on Mexico's role in regional and world financial markets. Adams traces the

evolution of Mexico's banking and investment activities reviews current conditions and their implications for future investment opportunities in Mexico and makes clear that what happens to Mexico's economy and political stability will have major implications for what happens elsewhere in the world. One of the first books to look at banking and investment in Mexico after the peso crash of 1994-1995 with a highly detailed bibliography and notes, Adams's study will be important reading for international business finance and investment professionals and for their colleagues with similar interests throughout the academic community. The fate of both Mexico and the United States is that the two countries are forever tied by geography. The historical evolution of the dual interaction between the peoples of these two nations is and will be significant for the future of both countries. With this in mind, the book is divided into chapters reviewing such themes as the interaction and historical financial events that transpired during the advent of the North American Free Trade Agreement (NAFTA) and the expansion of cross-border financial and investment services, as well as a framework and background review of the events leading up to and resulting from the devaluations of the 1970s and 1980s and more recently the evolution of the peso crisis of 1994-1995. The imperceptible yet gradual economic integration of the two economies has required time in developing while not always being seamless in its implementation and transition. American macroeconomic policy has long had a direct impact on the economy of Mexico, as is evidenced by the impact of U.S. interest rates on the financial underpinnings of the Mexican treasury and the banking system to assist with the overall economic growth of the nation. An appreciation for the historically sensitive issues and perspectives, be they nationalization of the oil industry, immigration, or market access for foreign financial services, is paramount to a fuller understanding of doing business on both sides of the border.

Responding to Crisis in Contemporary Mexico Claire Brewster, 2022-08-23. Regarded as among modern Mexico's foremost creative writers, Octavio Paz, Carlos Fuentes, Carlos Monsivís, and Elena Poniatowska are also esteemed as analyzers of society, critics of public officials, and both molders and mirrors of public opinion. This book offers a reading of Mexican current affairs from 1968 to 1995 through a comparative study of these four writers' political work. In hundreds of articles, essays, and comments published in the Mexican press (*Excelsior*, *La Cultura*, *La Jornada*, *Proceso*, and many other publications), these writers tackled current affairs as events unfolded. Yet the lack of detailed examination of their contributions in the press has left a gap in our understanding of their vital role in raising awareness of national concerns as they were happening. Claire Brewster has mined direct quotations from a host of publications to illustrate the techniques that they used in combating government and editorial restraints. Brewster first addresses the Student Movement of 1968, the violent suppression of which was a watershed in the relationship between the Mexican government and people, and illustrates the ways in which the student crisis affected the writers' relationships with presidents Luis Echeverría, Álvarez, and José López Portillo. She next considers the profound social and political repercussions of the 1985 earthquake, as described by Poniatowska and Monsivís, and the consequent emergence of Mexican civil society. She then outlines Paz's and Monsivís's

vociferous responses to the 1988 presidential election campaigns and their highly contentious result and lastly she examines the Chiapas rebellion from January to July 1994 The eloquent Zapatista spokesman Subcomandante Marcos challenged Mexican writers to a duel of words and Brewster analyzes the ways in which the four writers took up the gauntlet and in so doing reveals the development of their political thoughts and their relationships with the Mexican people and the federal government The work of these four authors charts an important historical era and a close examination of their essays reveals their maturation as writers and provides an understanding of the development of Mexican society By bringing their opinions and attitudes to light Brewster unearths a rich lode of insight into the inner workings of Mexican intellectuals and invites observers of contemporary Mexico to reconsider their role in reflecting social change White Bread Aaron

Bobrow-Strain,2012-03-06 The story of how white bread became white trash this social history shows how our relationship with the love it or hate it food staple reflects our country s changing values In the early twentieth century the factory baked loaf heralded a bright new future a world away from the hot dusty dirty bakeries run by immigrants Fortified with vitamins this bread was considered the original superfood and even marketed as patriotic while food reformers painted white bread as a symbol of all that was wrong with America So how did this icon of American progress become white trash In this lively history of bakers dietary crusaders and social reformers Aaron Bobrow Strain shows us that what we think about the humble puffy loaf says a lot about who we are and what we want our society to look like It teaches us that when Americans debate what one should eat they are also wrestling with larger questions of race class immigration and gender As Bobrow Strain traces the story of bread from the first factory loaf to the latest gourmet pain au levain he shows how efforts to champion good food reflect dreams of a better society even as they reinforce stark social hierarchies The history of America s love hate relationship with white bread reveals a lot about contemporary efforts to change the way we eat Today the alternative food movement favors foods deemed ethical and environmentally friendly and fluffy industrial loaves are about as far from slow local and organic as you can get Still the early twentieth century belief that getting people to eat a certain food could restore the nation s decaying physical moral and social fabric will sound surprisingly familiar Given that open disdain for unhealthy eaters and discrimination on the basis of eating habits grow increasingly acceptable White Bread is a timely and important examination of what we talk about when we talk about food Steel Barrio Michael Innis-Jiménez,2013-06-24 The richly

documented history of Mexican South Chicago here yields a sophisticated rounded and compelling study of the evolution of an immigrant place Attentive to structural factors shaping migration and assimilation Innis Jim nez also tells textured human stories of the work play and solidarity that created and recreated an enduring community snatching life from discrimination and hardship David Roediger University of Illinois Since the early twentieth century thousands of Mexican Americans have lived worked and formed communities in Chicago s steel mill neighborhoods Drawing on individual stories and oral histories Michael Innis Jim nez tells the story of a vibrant active community that continues to play a central role in American politics

and society Examining how the fortunes of Mexicans in South Chicago were linked to the environment they helped to build Steel Barrio offers new insights into how and why Mexican Americans created community This book investigates the years between the World Wars the period that witnessed the first massive influx of Mexicans into Chicago South Chicago Mexicans lived in a neighborhood whose literal and figurative boundaries were defined by steel mills which dominated economic life for Mexican immigrants Yet while the mills provided jobs for Mexican men they were neither the center of community life nor the source of collective identity Steel Barrio argues that the Mexican immigrant and Mexican American men and women who came to South Chicago created physical and imagined community not only to defend against the ever present social political and economic harassment and discrimination but to grow in a foreign polluted environment Steel Barrio reconstructs the everyday strategies the working class Mexican American community adopted to survive in areas from labor to sports to activism This book links a particular community in South Chicago to broader issues in twentieth century U S history including race and labor urban immigration and the segregation of cities Michael Innis Jim nez is a native of Laredo Texas and Assistant Professor in the Department of American Studies at the University of Alabama He lives in Tuscaloosa where he is working on his next book on Latino immigration to the American South In the Culture Labor History series The Death and Life of Aida Hernandez Aaron Bobrow-Strain, 2019-04-16 One of Esquire's 50 Best Biographies of All Time Winner of the 2020 Pacific Northwest Book Award Winner of the 2020 Washington State Book Award Named a 2019 Southwest Book of the Year Shortlisted for the 2019 Brooklyn Public Library Literary Prize What happens when an undocumented teen mother takes on the U S immigration system When Aida Hernandez was born in 1987 in Agua Prieta Mexico the nearby U S border was little more than a worn down fence Eight years later Aida's mother took her and her siblings to live in Douglas Arizona By then the border had become one of the most heavily policed sites in America Undocumented Aida fought to make her way She learned English watched Friends and after having a baby at sixteen dreamed of teaching dance and moving with her son to New York City But life had other plans Following a misstep that led to her deportation Aida found herself in a Mexican city marked by violence in a country that was not hers To get back to the United States and reunite with her son she embarked on a harrowing journey The daughter of a rebel hero from the mountains of Chihuahua Aida has a genius for survival but returning to the United States was just the beginning of her quest Taking us into detention centers immigration courts and the inner lives of Aida and other daring characters The Death and Life of Aida Hernandez reveals the human consequences of militarizing what was once a more forgiving border With emotional force and narrative suspense Aaron Bobrow Strain brings us into the heart of a violently unequal America He also shows us that the heroes of our current immigration wars are less likely to be perfect paragons of virtue than complex flawed human beings who deserve justice and empathy all the same

In The Shadow Of The Mexican Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download In The Shadow Of The Mexican Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download In The Shadow Of The Mexican Revolution has opened up a world of possibilities. Downloading In The Shadow Of The Mexican Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading In The Shadow Of The Mexican Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download In The Shadow Of The Mexican Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading In The Shadow Of The Mexican Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading In The Shadow Of The Mexican Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download In The Shadow Of The Mexican Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical

downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About In The Shadow Of The Mexican Revolution Books

What is a In The Shadow Of The Mexican Revolution PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a In The Shadow Of The Mexican Revolution PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a In The Shadow Of The Mexican Revolution PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a In The Shadow Of The Mexican Revolution PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a In The Shadow Of The Mexican Revolution PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
