If God is For Us: Study Guide Keith Thomas, 2016-02-12 Like soldiers walking into a minefield there are some things in life that are unseen but deadly Just because you may be unaware of something dangerous it doesn't mean it cannot affect you There is an old saying what you don't know can't hurt you Although it is true that knowledge can bring with it pain it is much better to be forewarned about danger than to ignore it In Keith's latest study *If God is For Us* he leads us through the scriptures that help us see that God is for us and what this means as far as our Christian faith and walk We have no need to fear when we are assured that God always has is and always will provide and protect us Keith's study brings freedom so that Christians can focus on what God has placed them here for instead of worrying about spiritual attacks You will understand the enemy's schemes and learn to walk in your victory

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was *O Come O Come Emmanuel* Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled *Seven Eighths of the Bible Misunderstood* wherein he explains that seven eighths of the Bible is about national salvation i.e. the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960's Pastor Sheldon Emery wrote an article titled *An Open Letter to Any Minister Who Teaches the Jews Are Israel* wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled *The Exclusiveness of Israel* wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty

First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A D by Yahshuah and His disciples i e the Gospel of the Kingdom So where did the so called churches and pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book
