

Les effets des images érotiques sur les enfants

Parents et éducateurs

Cette fiche vise à éclairer les parents et le personnel enseignant sur les effets possibles de l'exposition aux images érotiques sur les enfants. Elle préconise un développement sexuel sain chez les enfants et encourage le dialogue adultes-enfants sur la mauvaise influence des médias.

Le matériel érotique : plus accessible que jamais

De nos jours, les enfants ont accès à une quantité phénoménale d'information grâce à Internet, à la télévision, aux vidéoclips musicaux, à la publicité et aux nouvelles technologies. Les parents et les professionnels s'inquiètent plus que jamais des effets de l'exposition aux images érotiques sur le développement sexuel des enfants. L'idéologie véhiculée par la culture populaire entraîne la banalisation des comportements sexuels dangereux.

Qu'en dit la recherche?

Des études révèlent que l'exposition précoce au matériel érotique aurait vraisemblablement une mauvaise influence sur les enfants.

Les enfants et les adultes ne traitent pas l'information à caractère sexuel de la même manière. Auparavant, on croyait que les enfants ne comprenaient rien à la sexualité et que, de ce fait, l'exposition au matériel érotique n'avait aucun effet sur eux. Les enfants donnent généralement un sens concret aux choses; ils sont incapables de pensée abstraite.

La recherche démontre à présent que si les enfants sont incapables d'interpréter l'information, ils la conservent parfois en mémoire, et elle leur revient à l'esprit tout au long de leur croissance.

Comment les enfants sont-ils exposés au matériel érotique?

1. Accidentellement

Il arrive que les enfants tombent accidentellement sur des images érotiques en regardant la télévision ou en navigant sur Internet, par exemple. Avant même que l'enfant n'ait le temps d'établir s'il s'agit de contenu acceptable ou non et, le cas échéant, de s'en éloigner (en éteignant l'ordinateur ou la télévision), les images auront atteint le cerveau de l'enfant et produit leur effet.

Certains enfants garderont longtemps une trace de ces images en mémoire, d'autres non. Ces images seront cause de stress chez certains enfants, alors que d'autres n'y repenseront plus jamais. D'autres encore se mettront à chercher du matériel de plus en plus érotique pour satisfaire leur curiosité.

2. Intentionnellement (par curiosité)

Les adolescents ont une curiosité naturelle par rapport à la sexualité et ils se tournent souvent vers Internet ou vers une connaissance en quête d'information. Comme le contenu d'Internet est rarement censuré, un enfant peut très bien tomber sur du contenu dérangeant. Les images érotiques exposent parfois les enfants à des idées nouvelles qui pourraient influencer leurs valeurs et leur conception d'une sexualité saine.

La Castratrice Les Eacuterotiques Desparbec T

M Planty

La Castratrice Les Eacuterotiques Desparbec T:

This is likewise one of the factors by obtaining the soft documents of this **La Castratrice Les Eacuterotiques Desparbec T** by online.
