KEY FEATURES & BENEFITS

All-round 4-in-1 printer – space-saving design with great performance

Wi-Fi & Wi-Fi Direct – wireless printing with or without a network¹

Save time and paper – auto 2-sided printing, plus 30-page Auto Document Feeder for copying and scanning with ease.

4 individual ink cartridges – save money by only replacing colour used.

ALL-ROUND 4-IN-1 PRINTER

A compact, reliable performer, the wireless WorkForce WF-2950 is the perfect choice for efficient home office printing. Featuring fast print speeds, plus auto 2-sided printing and a 30-page Auto Document Feeder, the WF-2950 delivers professional-quality documents, reports and proposals.

HIGH-SPEED FAXING

Fax as fast as 3 seconds per page, save up to 100 pages in memory, and store up to 100 speed-dialing numbers. Using the included PC-Fax, you can even send a colour fax right from your computer. It is a great way to save time and paper.

AFFORDABLE INDIVIDUAL INK CARTRIDGES

Depending on what you are printing – lots of blue skies will mean your cyan will need replacing sooner than other colours – your printer's ink will reduce at different levels. With individual inks you only need to replace one cartridge at a time – the one that actually needs replacing. With tri-colour cartridges, you end up throwing away the entire cartridge even if just one colour runs out, meaning you waste the good ink you have left. Wasted ink is just wasted money. Epson individual ink cartridges means you save money and don't waste ink.

EPSON SMART-PANEL

An innovative interface, the Epson Smart Panel app² transforms your iOS® or Android™ mobile device³ into an intuitive control centre for your Epson WorkForce WF-2950. This powerful tool makes it easy to set up, monitor, print, scan and more using your Epson printer, right from your hand-held device. With quick-configuration features, it offers easy product setup on your wireless network and automatically detects your printer. Customise the app to your own preferences and requirements. Built to offer everything you need in one convenient app, Epson Smart Panel allows you to register your product, order supplies and easily access troubleshooting tips.
