Feuerherm, Vaidehi Ramanathan, 2015-12-03 This edited volume brings together scholars from various disciplines to discuss how language is used by for and about refugees in the United States in order to deepen our understanding of what refugee and resettlement mean The main themes of the chapters highlight the intersections of language education and refugee resettlement from community based adult programs to elementary school classrooms the language of resettlement policies and politics in the United States at both the national level and at the local level focusing on the agencies and organizations that support refugees the discursive constructions of refugee hood that are promulgated through the media resettlement agencies and even the refugees themselves This volume is highly relevant to current political debates of immigration human rights and education and will be of interest to researchers of applied linguistics sociolinguistics anthropology and cultural studies **Mismanaged Money in American Healthcare** Lisa Famiglietti, Mark Scott, 2023-08-30 Warren Buffett famously invoked the metaphor of a tapeworm when describing what healthcare is to the American economy The United States spends approximately 20% of its gross national product on healthcare but it is unclear where the money goes or who is minding the store This healthcare crisis is mostly about money not lack of money but rather misspending of money From the perspective of a healthcare auditor and provider this work describes the problems of American healthcare finance and proposes solutions Extensive charts and graphs are used to trace where money goes in the American healthcare system while other topics such as ethics in healthcare billing un-auditable hospital costs and scams are discussed There is evidence that clearly identifies where the money goes and its destination may surprise the reader **The Pennsylvania Manual** , 1997 *Safety and Health at Work* , 1991 **Texas State Publications** Texas State Publications Depository Program, 2003 **Safety and Health at Work, ILO-CIS Bulletin** , 1991 Community Mental Health Centers Under Managed Care , 1998
