The Gaelic-English Dictionary Colin B.D. Mark,2003-09-02 This book fulfils a keenly felt need for a modern comprehensive dictionary of Scottish Gaelic into English The numerous examples of usage and idiom in this work have been modelled on examples culled from modern literature and encompass many registers ranging from modern colloquial speech to more elaborate literary constructions The main contemporary terms and idiomatic phraseology often not available in other dictionaries provide excellent models for easier language learning In addition to the main dictionary the volume contains introductory material providing guidance on using the dictionary spelling and pronunciation There are also twelve useful appendices which cover not only the various parts of speech lenition and proper nouns but also address the more difficult issues of expressing time direction and numerals The clarity of the design and layout of the volume will greatly ease the process of attaining mastery of the Gaelic language

The Focused Organization Antonio Nieto-Rodriguez,2016-03-16 In *The Focused Organization* Antonio Nieto Rodriguez shows you how fewer more effectively elected and managed projects are the key to strategic and long term success Using his own research and work experience he explains how and why those organizations that focus on just a few key initiatives can perform significantly better than unfocused organizations not only financially but also in achieving their strategic objectives and motivating their staff The author introduces a new way of looking at a company through two very different and often conflicting dimensions running the business and changing the business What you add to one dimension you have to subtract from the other one Finding the right balance between these two dimensions represents one of the major challenges to successful strategy execution Becoming a focused organization involves a radical change in the way companies are organized and the way they select and manage projects the creation of a new culture The Focused Organization discusses the characteristics that comprise a focused organization It describes key areas where a focused organization builds its levels of maturity provides examples of focused organizations that outperform the rest and explains in practical steps how all enterprises can become focused The book finishes with a unique and inspiring case study that transports us to the early days of the current business world Through the main character Benny White we learn how a business was conducted and how management evolved over decades with the introduction of business theories including project management
