from the 1980s until today interlinking key moments of his life with the degradation of the American political system and the continual erosion of our civil liberties by foreign powers Kendzior also offers a never before seen look at her lifelong tendency to be in the wrong place at the wrong time living in New York through 9 11 and in St Louis during the Ferguson uprising and researching media and authoritarianism when Trump emerged using the same tactics as the post Soviet dictatorships she had long studied It is a terrible feeling to sense a threat coming but it is worse when we let apathy doubt and fear prevent us from preparing ourselves Hiding in Plain Sight confronts the injustice we have too long ignored because the truth is the only way forward Hide in Plain Sight Leslie Waller,1982-01-01
