King Of Swords:

KING OF SWORDS Lindsay McKenna,2014-02-15 HIS SWORN ENEMY Devlin Kyle was bound to serve in Napoleon s army but the Irish patriot vowed that someday he would make the English pay for their crimes against his family So when he inadvertently captured Englishwoman Thorne Somerset the lovely young lady fell very neatly into his plans A Gypsy raised among the well heeled Thorne understood her captor s bitterness But beneath Dev s hard edged soldier s exterior she also sensed the gentleness of the man Could she convince him to deny his thirst for vengeance and give that place in his heart to their love

King of Swords Christine Cazaly,2025-01-12 The final battle is here and no one will survive unchanged The Shadow Mage s heir has risen infecting the kingdom of Epera with whispers betrayals and poison in the veins of its own court The realm teeters on the edge of ruin Sir Dominic Skinner the queen s champion now races against fate To save the kingdom and the woman he loves he must face his deepest fear that he is not strong enough to lead Joran of Epera husband to Queen Petronella and loving father to her heirs has stood beside the crown not beneath it Though destined to rule he has always refused the Ring of Justice But when darkness threatens his family and the fragile peace they ve built Joran must confront the ghosts of his past and the truth of what it means to rule Queen Petronella fights a silent war in the corridors of her mind where the Shadow Mage s legacy claws at her soul If she falters all may be lost Enemies move in shadows Dark magic unravels the very fabric of loyalty And the final confrontation will demand not swords but sacrifice King of Swords is the breathtaking conclusion to Saga of the Swords an epic tale of honour love and the cost of redemption Perfect for fans of Robin Hobb Guy Gavriel Kay and stories where the fiercest battles are fought in the heart Wow wow wow I have only one complaint I finished the series and feel like I lost my friends Amazon Review The stunning conclusion where courage is not in the blade you carry but in the choice to stand when everything crumbles

King of Swords Bianca D'Arc,2011-11-27 Drawn together by powerful visions of the future they ll fight pirates and find love if fate allows David is a newly retired special ops soldier looking to find his way in an unfamiliar civilian world His first step is to visit an old friend the owner of a bar called The Rabbit Hole on a distant space station While there he meets an intriguing woman who may hold the key to his future Adele has a special ability passed down through her family she can sometimes see the future She doesn t know exactly why she s been drawn to the space station where her aunt deals cards in a bar that caters to station workers and ex military She only knows that she needs to be there When she meets David sparks of desire fly between them and she begins to suspect that he is a big part of the reason she traveled halfway across the galaxy Pirates attack the station and it ll be up to Adele and David to repel the invaders Passion flares as they wait for the right moment to overcome the alien threat and retake the station But what good can one retired soldier and a civilian do against a ship full of alien pirates
