Etudes critiques sur la Bible Nouveau Testament par Michel Nicolas Michel Nicolas,1864 *Attempt at a Catalogue of the Library of the Late Prince Louis-Lucien Bonaparte--Index of Authors* prince Louis-Lucien Bonaparte,1894 *The Christian Remembrancer* ,1842 **The Christian remembrancer; or, The Churchman's Biblical, ecclesiastical & literary miscellany** ,1842 *The World of Saint Paul* Joseph Callewaert,2011-01-01 Joseph Callewaert s engaging work on St Paul reads like a novel With inviting even dramatic prose it recounts the story of the great Apostle to the Nations This is

no dry tome or ponderous biography Nor is its subject a safe historical figure irrelevant to the issues of today St Paul remains controversial Some scholars claim he invented Christianity They believe his message radically departed from what Jesus taught The Christian faith so the claim runs is the creation of Paul s religious experience not the doctrine of Jesus Callewaert rejects this theory as do many other scholars His interpretation rests on the Bible and the abiding tradition of the ages rather than tendentious theories or ideologically motivated revisions Yet Callewaert s work is no anti scholarly screed The World of Saint Paul provides a popular yet expert account of the Apostle and his age For those who know little about St Paul which includes many Christians it is a superb introduction In my presentation of St Paul I have tried to absorb the spirit of his epoch as far as I could and put less trust in the present day judgments than in the abiding traditions of the ages If I have perhaps evoked a little too much history and pursued rather too long a road in regions so rich with a past I have always made sure to trace a path which brings us back to this intrepid and tenacious Jew who will steadily appear in stark relief From the Preface
