Local Government Services Kevin Lavery, 1999-03-30 Privatization of local government is making headlines throughout the
world Scottsdale Arizona contracts for fire protection Baltimore to run nine city schools and Chicago and Philadelphia for a
range of services from janitors to recreational facilities The United Kingdom New Zealand and Australia have arguably gone
further than the United States But much of the debate on contracting has been high on politics philosophy and emotion with
little attention to practical issues of how to do contracting well The book shifts the debate away from the politics and rhetoric
to the practicalities and realities of contracting The book is concerned with four issues the role of contracting in government
the appropriateness of different contracting strategies the process of contracting and who does the contracting Drawing on
examples in the United States and the United Kingdom the author considers the historical and cultural context of contracting
where contracting works and where it doesn't the features of smart contracting and the conditions that are conducive to
smart contracting The book provides an invaluable guide to those concerned with the practicalities of contracting *Making*
Los Angeles Home Rafael Alarcon, Luis Escala, Olga Odgers, 2016-03-08 Making Los Angeles Home examines the different
integration strategies implemented by Mexican immigrants in the Los Angeles region Relying on statistical data and
ethnographic information the authors analyze four different dimensions of the immigrant integration process economic social
cultural and political and show that there is no single path for its achievement but instead an array of strategies that yield
different results However their analysis also shows that immigrants successful integration essentially depends upon their
legal status and long residence in the region The book shows that despite this finding immigrants nevertheless decide to
settle in Los Angeles the place where they have made their homes Moody's Manual of Investments: American and
