**Magic Steals** Ilona Andrews,2016-08-16 1 New York Times bestselling author Ilona Andrews once again pulls readers into the dark and dangerous world of the Kate Daniels novels in this reader favorite previously published in the anthology Night Shift Shapeshifting tigress Dali Harimau may be a powerful healer and magic user but she s far from what might be called normal She dislikes the violence and bloodshed that are a way of life for most of her kind even going so far as to become a vegetarian The last thing she wants is trouble Jim Shrapshire is an original hardcore badass A jaguar shifter he s been tasked with keeping Atlanta s Cat Clan in line which he does with swift and lethal force when necessary His only soft spot is for the petite Dali whose kindness he calls upon when he is injured When Dali is approached by a desperate woman whose grandmother has vanished Jim is concerned enough to help investigate But what they find may just be the end of them an enemy whose skill in the dark arts is matched only by their willingness to kill anyone in their way Creating Identity JayashreeKamblé,Jayashree Kamble,2023-04-11 While the world often categorizes women in reductive false binaries careerist versus mother feminine versus fierce romance novels a unique form of the love story offer an imaginative space of mingled alternatives for a heroine on her journey to selfhood In Creating Identity Jayashree Kambl examines the romance genre with its sensile flexibility in retaining what audiences find desirable and discarding what is not by asking an important question Who is the romance heroine and what does she want To find the answer Kambl explores how heroines in ten novels reject societal labels and instead remake themselves on their own terms with their own agency Using a truly intersectional approach Kambl combines gender and sexuality Marxism critical race theory and literary criticism to survey various aspects of heroines identities such as sexuality gender work citizenship and race Ideal for readers interested in gender studies and

literary criticism Creating Identity highlights a genre in which heroines do not accept that independence and strong loving relationships are mutually exclusive but instead demand both echoing the call from the very readers who have made this genre so popular
