Academic Language Mastery: Grammar and Syntax in Context David E. Freeman, Yvonne S. Freeman, Ivannia Soto, 2016-07-22 By now it's a given if we're to help our ELLs and SELs access the rigorous demands of today's content standards we must cultivate the code that drives school success academic language Look no further for assistance than this much anticipated series from Ivannia Soto in which she invites field authorities Jeff Zwiers David and Yvonne Freeman Margarita Calderon and Noma LeMoine to share every teacher's need to know strategies on the four essential components of academic language The subject of this volume is grammar and syntax Here David and Yvonne Freeman shatter the myth that academic language is all about vocabulary revealing how grammar and syntax inform our students grasp of challenging text With this book as your roadmap you'll learn how to Teach grammar in the context of students speech and writing Use strategies such as sentence frames passives combining simple sentences into more complex sentences and nominalization to create more complex noun phrases Assess academic language development through a four step process Look inside and discover the tools you need to help students master more sophisticated and complex grammatical and syntactical structures right away Better yet read all four volumes in the series and put in place a start to finish instructional plan for closing the achievement gap

Academic Language Mastery: Conversational Discourse in Context Jeff Zwiers, Ivannia Soto, 2016-07-22 By now it's a given if we're to help our ELLs and SELs access the rigorous demands of today's content standards we must cultivate the code that drives school success academic language Look no further for assistance than this much anticipated series from Ivannia Soto in which she invites field authorities Jeff Zwiers David and Yvonne Freeman Margarita Calderon and Noma LeMoine to share every teacher's need to know strategies on the four essential components of academic language The subject of this volume is conversational discourse Here Jeff Zwiers reveals the power of academic conversation in helping students develop language

clarify concepts comprehend complex texts and fortify thinking and relational skills With this book as your roadmap you ll learn how to Foster the skills and language students must develop for productive interactions Implement strategies for scaffolding paired conversations Assess student s oral language development as you go It s imperative that our ELLs and SELs practice academic language in rich conversations with others in school especially when our classrooms may be their only opportunities to receive modeling scaffolding and feedback focused on effective discourse This book in concert with the other three volumes in the series can provide both a foundation and a framework for accelerating the learning of diverse students across grade levels and disciplines

Breaking Down the Wall Margarita Espino Calderon, Maria G. Dove, Diane Staehr Fenner, Margo Gottlieb, Andrea Honigsfeld, Tonya Ward Singer, Shawn Slakk, Ivannia Soto, Debbie Zacarian, 2019-09-11

It was a dark and stormy night in Santa Barbara January 19 2017 The next day s inauguration drumroll played on the evening news Huddled around a table were nine Corwin authors and their publisher who together have devoted their careers to equity in education They couldn t change the weather they couldn t heal a fractured country but they did have the power to put their collective wisdom about EL education upon the page to ensure our multilingual learners reach their highest potential Proudly we introduce you now to the fruit of that effort *Breaking Down the Wall Essential Shifts for English Learners Success* In this first of a kind collaboration teachers and leaders whether in small towns or large urban centers finally have both the research and the practical strategies to take those first steps toward excellence in educating our culturally and linguistically diverse children It s a book to be celebrated because it means we can throw away the dark glasses of deficit based approaches and see children who come to school speaking a different home language for what they really are learners with tremendous assets The authors contributions are arranged in nine chapters that become nine tenets for teachers and administrators to use as calls to actions in their own efforts to realize our English learners potential

- 1 From Deficit Based to Asset Based
- 2 From Compliance to Excellence
- 3 From Watering Down to Challenging
- 4 From Isolation to Collaboration
- 5 From Silence to Conversation
- 6 From Language to Language Literacy and Content
- 7 From Assessment of Learning to Assessment for and as Learning
- 8 From Monolingualism to Multilingualism
- 9 From Nobody Cares to Everyone Every Community Cares

Read this book the chapters speak to one another a melodic echo of expertise classroom vignettes and steps to take To shift the status quo is neither fast nor easy but there is a clear process and it s laid out here in *Breaking Down the Wall* To distill it into a single line would go something like this if we can assume mutual ownership if we can connect instruction to all children s personal social cultural and linguistic identities then all students will achieve
