The Oxford Handbook of Hoarding and Acquiring  
Randy O. Frost, Gail Steketee, 2014 Hoarding involves the acquisition of and inability to discard large numbers of possessions that clutter the living area of the person collecting them It becomes a disorder when the behavior causes significant distress or interferes with functioning Hoarding can interfere with activities of daily living such as being able to sit in chairs or sleep in a bed work efficiency family relationships as well as health and safety Hoarding behavior can range from mild to life threatening Epidemiological findings suggest that hoarding occurs in 2-6% of the adult population making it two to three times more common than obsessive compulsive disorder The fifth edition of the Diagnostic and Statistical Manual of Mental Disorders DSM 5 now includes Hoarding Disorder as a distinct disorder within the OCD and Related Anxiety Disorders section creating a demand for information about it The Oxford Handbook of Hoarding and Acquiring is the first volume to detail the empirical research on hoarding Including contributions from all of the leading researchers in the field this comprehensive volume is divided into four sections in addition to introductory and concluding chapters by the editors Phenomenology Epidemiology and Diagnosis Etiology Assessment and Intervention and Hoarding in Special Populations The summaries of research and clinical interventions contained here clarify the emotional and behavioral features diagnostic challenges and nature of the treatment interventions for this new disorder This handbook will be a critical resource for both practitioners and researchers including psychiatrists psychologists neurologists epidemiologists social workers occupational therapists and other health and mental health professionals who encounter clients with hoarding problems in their practice and research

**Islamic Law in Action** Kristen Stilt, 2012-01-12 A dynamic account of the practice of Islamic law this book focuses on the actions of a particular legal official the muhtasib whose vast jurisdiction included all public behavior In the cities of Cairo and neighboring Fustat during the Mamluk period 1250-1517 the men who held the position of muhtasib acted as regulators of markets and public spaces generally They traversed their jurisdictions carrying out the duty to command right and forbid wrong and were as much a part of the legal landscape as the better known figures of judge and mufti Taking directions from the rulers the sultan foremost among them they were also guided by legal doctrine as formulated by the jurists combining these two sources of law in one face of authority The daily workings of the law are illuminated by the reports of the muhtasib in the vivid Mamluk era chronicles which often also captured the responses of the individuals who encountered the official The book is organized around actions taken by the muhtasib in the areas of Muslim devotional and pious practices crimes and offenses the management of Christians and Jews market regulation and consumer protection the specific markets for essential bread currency and taxes and public order The case studies presented show that while legal doctrine was clearly relevant to the muhtasib's actions the policy demands of the sultan were also quite significant and rules

from both sources of authority intersected with social political economic and personal factors to create full and vibrant scenarios that reveal the practice of Islamic law **Technical Manual** United States Department of the Army,1967
