The Anthropology of Sport Niko Besnier, Susan Brownell, Thomas F. Carter, 2017-12-08 Few activities bring together physicality emotions politics money and morality as dramatically as sport In Brazil’s stadiums or China’s parks on Cuba’s baseball diamonds or Fiji’s rugby fields human beings test their physical limits invest emotional energy bet money perform witchcraft and ingest substances Sport is a microcosm of what life is about The Anthropology of Sport explores how sport both shapes and is shaped by the social cultural political and historical contexts in which we live Core themes discussed in this book include the body modernity nationalism the state citizenship transnationalism globalization and gender and sexuality

The Educational Times, and Journal of the College of Preceptors, 1899 *Paratextualizing Games* Benjamin Beil, Gundolf S. Freyermuth, Hanns Christian Schmidt, 2021-11-18 Gaming no longer only takes place as a closed interactive experience in front of TV screens but also as broadcast on streaming platforms or as cultural events in exhibition centers and e sport arenas The popularization of new technologies forms of expression and online services has had a considerable influence on the academic and journalistic discourse about games This anthology examines which paratexts gaming cultures have produced i.e. in which forms and

formats and through which channels we talk and write about games as well as the way in which paratexts influence the development of games How is knowledge about games generated and shaped today and how do boundaries between popular criticism journalism and scholarship have started to blur In short How does the paratext change the text The Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1894 Money Games Weijian Shan,2023-02-22 Money Games is a riveting tale of one of the most successful buyout deals ever the acquisition and turnaround of what used to be Korea s largest bank by the American firm Newbridge Capital Full of intrigue and suspense this insider s account is told by the chief architect of the deal itself the celebrated author and private equity investor Weijian Shan With billions of dollars at stake and the nation s economic future on the line Newbridge Capital sought to become the first foreign firm in history to take control of one of Korea s most beloved financial institutions In a proud country still reeling from a humiliating International Monetary Fund bailout in the Asian Financial Crisis Newbridge Capital had to muster every ounce of skill determination and patience to bring the deal to closing Shan takes readers inside the battle to win control of the bank a delicate often exasperating process that meant balancing the goals of Newbridge with those of the government bank employees and Korea s powerful industrial titans Finally the author describes how Newbridge transformed and rebuilt the struggling bank into a shining example of modern banking as well as a massively profitable investment In the secret world of private equity few buyouts have been written about with such clarity detail and insight and none with such completeness covering not only the dealmaking but also the transformation and eventual exit of the investment For anyone who has ever wondered how private equity investors strike bargains turn around businesses and create immense value or anyone interested in a captivating story of high stakes money making this book is a must read **The Art of Conjecturing, Together with Letter to a Friend on Sets in Court Tennis** Jacob Bernoulli,2006 Part I reprints and reworks Huygens s On Reckoning in Games of Chance Part II offers a thorough treatment of the mathematics of combinations and permutations including the numbers since known as Bernoulli numbers In Part III Bernoulli solves more complicated problems of games of chance using that mathematics In the final part Bernoulli s crowning achievement in mathematical probability becomes manifest he applies the mathematics of games of chance to the problems of epistemic probability in civil moral and economic matters proving what we now know as the weak law of large numbers **Athenaeum and Literary Chronicle** ,1856

The Legend of Good Women Carolyn P. Collette,2006 Essays re examining the Legend of Good Women placing it in its cultural and historical context *The Children's World of Learning, 1480-1880.
