Good Arguments Bo Seo, 2022-06-07 The rare book that has the potential to make you smarter and everyone around you wiser Adam Grant Two time world champion debater and former coach of the Harvard debate team Bo Seo tells the inspiring story of his life in competitive debating and reveals the timeless secrets of effective communication and persuasion When Bo Seo was 8 years old he and his family migrated from Korea to Australia At the time he did not speak English and unsurprisingly struggled at school But then in fifth grade something happened to change his life he discovered competitive debate Immediately he was hooked It turned out perhaps counterintuitively that debating was the perfect activity for someone shy and unsure of himself It became a way for Bo not only to find his voice but to excel socially and academically And he s not the only one Far from it presidents Supreme Court justices and CEOs are all disproportionately debaters This is hardly a coincidence By tracing his own journey from immigrant kid to world champion Seo shows how the skills of debating information gathering truth finding lucidity organization and persuasion are often the cornerstone of successful careers and happy lives Drawing insights from its strategies structure and history Seo teaches readers the skills of competitive debate and in doing so shows how they can improve their communication with friends family and colleagues alike He takes readers on a thrilling intellectual adventure into the eccentric and brilliant subculture of competitive debate touching on everything from the radical politics of Malcom X to Artificial Intelligence Seo proves beyond a shadow of a doubt that far from being a source of conflict good faith debate can enrich our daily lives Indeed these good arguments are essential to a flourishing

democracy and are more important than ever at time when bad faith is all around and our democracy seems so imperiled
