By Referral Only Lyla Payne, 2013-06-27 After being unceremoniously dumped freshman year because of her family s new money status Ruby Cotton has taken care not to put her heart on the line No matter how enticing Emilie and Quinn make it look relationships are scary and hard while a string of flings is easy and fun That s what Ruby wants Easy and fun The only problem is when it comes to satisfaction in the sack most of the boys at Whitman are nothing but pretty window dressing and false advertising Ruby takes it upon herself to make campus life more fulfilling creating a referral database that allows female students to rate their sexual experiences thereby informing girls of what they re getting into before agreeing to a date When her acting partner Liam Greene finally

shows some interest Ruby figures she won't need to utilize the helpful gossip He's handsome fun and most importantly not a guy she'd ever fall for hard enough to let him break her heart Not only that but dating Liam gives Ruby the perfect excuse to say no to Cole Stuart As a star swimmer and heir to honest to God Scottish royalty Cole sits at the top of Whitman's A list but he's also the lowest rated referral on Ruby's website The ratings make rejecting his repeated requests for a date a no brainer but her real reason for avoiding Cole runs deeper than a string of unsatisfied exes He's gorgeous he oozes sweetness and charm and the electricity between them could power half of Whitman but Ruby knows it will only last until his family or friends convince him she's not good enough Before she knows it she's falling anyway waiting for the other shoe to drop but clinging to a tentative hope that Cole might be as different as he seems When the secret behind his low ratings comes to light that hope is torn apart and Ruby wonders if she was right to give him her heart and whether she has the strength to let him keep it

Forever Ruby Claire Merchant, 2019-03-01 Newly qualified lawyer Ruby Edwards is pretty much where she wants to be in life she has a new job in a prestigious law firm good friends and above all a promising future with Oliver the love of her life Why then does she feel drawn to the mysterious and magnetically handsome Cole Frost Why does she feel like she's seen him before South Coast is a small place but why does he keep appearing in her life She knows Oliver is the one for her She has no doubts about that She would never cheat because that would mean she was more like the mother who abandoned her than she would ever want to be But she can't seem to stay away from Cole Frost's piercing silver eyes which might have seen much more than is usual in a lifetime

Preaching Women Liz Shercliff, 2019-10-30 Should women who preach preach as women Preaching Women argues that far from being a gender neutral space the pulpit is a critical place in which a gender imbalance can begin to be redressed There is a vital need for women preachers to speak out of their experience of living as women in today's culture and church Filling a glaring gap in the literature around homiletics Filling a glaring gap in the literature around homiletics Preaching Women considers reasons why women preachers should preach from their experiences as women what women bring to preaching that is missing without us and how women preachers can go about the task of biblical preaching With a foreword by Libby Lane

The Dramatic Art of Athol Fugard Albert Wertheim, 2000 Albert Wertheim's study of Fugard's plays is both extremely insightful and beautifully written a book that held my attention from beginning to end It was a pleasure to read Wertheim succeeds in communicating the greatness of Fugard as a playwright actor and director He also conveys well what Fugard has learned from other plays and dramatists Thus he places Fugard's works not so much in a South African context as in a theatrical context He also illuminates his interpretations with the help of Fugard's manuscripts previously available only in South Africa This book is aimed not only at teachers students scholars and performers of Fugard but also at the person who simply loves going to see a Fugard play at the theatre Nancy Topping Bazin Eminent Scholar and Professor Emeritus Old Dominion University Considered one of the most brilliant powerful and theatrically astute of modern dramatists South African playwright Athol Fugard is best known for *The Blood*
