Stories of Caring School Leadership Mark A. Smylie, Joseph F. Murphy, Karen Seashore Louis, 2020-07-29 Real life examples to inform and inspire caring in your leadership practices The practice of caring is essential to effective schooling Published as a companion to Caring School Leadership this comprehensive resource of powerful real life stories will make clear the connection between caring leadership and student academic success and well being Stories of Caring School Leadership includes a guide for using the stories in self directed reflection and learning for educators practicing in schools and professional preparation programs Readers will find stories that will help aspiring and practicing leaders reflect upon and further develop caring as a quality of their leadership affirm the importance of caring as a fundamental quality of school leadership provide examples of caring school leadership in action that can be analyzed reflected upon and used to develop practice Stories have the power to inform and inspire The stories in this book are evidence of what is possible when caring leadership is practiced in our schools Competency-Based Education Rose L. Colby, 2019-01-02 Competency Based Education introduces educators to a new model for anytime anywhere schooling and provides tools and curriculum resources for redesigning the traditional structures of K 12 schools Based on pioneering work across multiple states the book shows how educators can design central elements of competency based education including performance tasks personal learning plans and grading systems to meet the needs and interests of all students Rose L Colby provides critical tools for creating these elements in collaborative teams and engaging stakeholders such as educators parents and community members The book incorporates case studies and voices from the field and examines the variety of competency models that schools have adopted highlighting the benefits for students Competency Based Education provides a much needed resource at a time when states districts and schools are working to implement competency based models and experimenting with new accountability systems that include evidence of learning beyond standardized tests Breaking the STEM Stereotype Amanda Alzena Sullivan, 2019-10-21 Men continue to outnumber women in numerous technical STEM Science Technology Engineering and Math fields such as engineering and computer science Prior work demonstrates the importance of introducing girls to STEM content early on before gender stereotypes are ingrained However many parents and teachers are not sure how to do this in a developmentally appropriate and playful way Breaking the STEM Stereotype Reaching Girls in Childhood by Dr Amanda Sullivan Ph D explores the various social cultural and psychological reasons behind the persistent gender disparity between men and women in STEM fields By explaining the powerful role of stereotypes the media and experiences with peers and adults during the foundational early childhood years this book builds the case of early childhood being a critical time in development to reach girls Breaking the STEM Stereotype is set up in three parts Part 1 provides the current state of the gender divide in each aspect of STEM and explores why early childhood is a critical time to address this divide Part 2 explores gender identity development and gender stereotypes as well as the influences of the media advertising

and adult and peer role models on young children Finally Part 3 arms readers with the knowledge they need to dispel gender stereotypes in STEM It provides suggestions on tools technologies and kits that can be used with young girls beginning in pre kindergarten It provides materials needed to design effective curricula and activities to engage girls with STEM in playful ways that build on their personal interests **Daily Graphic** I.K. Nkrumah,1976-02-17 *Committee Meeting of Joint Committee on the Public Schools, Subcommittee* New Jersey. Legislature. Joint Committee on the Public Schools. School Facilities and Construction Subcommittee,2013
