Foreign Language Education in America Steven Berbeco, 2016-04-08 Foreign language teaching in America today falls into three distinct fields of influence and interest: public and private schools, college and other post-secondary programs and courses for adult learners. At a time when academics and instructors in each of these fields seek to answer similar questions, too few published resources recognize and address the parallels among them. In response, *Foreign Language Education in America* is an edited book with contributions that represent the diversity in foreign language education today, including perspectives from elementary, middle schools, high schools, university level courses, summer programs, federal government and international learning. This is a practical guide to the state of the field that fills a much needed gap for scholars, researchers, administrators and practitioners who are looking for a resource that describes effective practices across the field.
