

POLYTECHNIC UNIVERSITY OF THE PHILIPPINES ELECTRONICS AND COMMUNICATIONS ENGINEERING AUTOMATED LABORATORY (AUTOLAB) SYSTEM FOR TRANSACTION AND EQUIPMENT MONITORING

Geoffrey T. Salvador, PECE, MSE, FRIEEE¹

¹Laboratory Head, Department of Electronics Engineering, College of Engineering, Polytechnic University of the Philippines, Sta. Mesa, Manila, Philippines

Abstract

The aim of the study is to implement bar coding system as mechanism for the PUP ECE Laboratory Transaction recording and monitoring. The study was concerned on proper documenting and managing the daily transaction of the ECE Laboratory particularly to automate the existing manual mechanism procedure with the proposed AutoLab System. The study used Quasi-Experimental method as it included both experimental and descriptive method to gather data for the study. Experimental in a way that the system was subjected to series of experiments to test its accuracy, efficiency, effectiveness and reliability using the single-group design. Two main experiments have been conducted - the test for accuracy of the system in transaction recording and the equipment inventory monitoring. Test for accuracy was divided into four parts namely (1) Borrowing of Key; (2) Borrowing of Equipment; (3) Returning of Keys; and, (4) Returning of Equipment. On the other hand, the equipment inventory monitoring incorporates the analysis of the equipment utilization; from such as what equipments are usually borrowed, in what subjects a certain equipment is being used and the history of usage for a given equipment. The descriptive part was used to evaluate the system in three variables - the Graphical User Interface, the Accuracy of Information displayed and the Transaction Recording - daily rated from scales 1 to 5; 5 being the highest through survey among the ECE students and faculty members. The ECE Room Utilization Log Book, ECE Transaction Log Book and the Borrower's Slip have been analyzed to assess the existing transaction recording and inventory monitoring. Results showed that the AutoLab System effectively automated the recording of transactions merging the existing manual method into one recording mechanism. Manual transaction recording cannot provide a 100% effectivity since there were percentages of 9.39% of the 2300 ECE Room Utilization Log Book transactions, 41.38% of the 742 Borrower's Slip transactions and 43.94% of the 603 ECE Transactions Log Book entries that were analyzed. A 100% complete data being filled-out on the ECE Borrower's Slip and the ECE Transactions Log Book permits a more comprehensive study of equipment inventory monitoring which gives a detailed room utilization for the ECE Room Utilization Log Book. The Automated Laboratory coined as AutoLab merged the ECE Room Utilization Log Book, ECE Borrower's Slip and the ECE Transaction Log Book into one complete package in terms of transaction recording and equipment inventory monitoring incorporating four databases- the class list, the room utilization, the class schedule and the equipments. As PUP Student Identification Cards have bar codes that embed the student number, the system utilized the information to extract details regarding the identity of the student necessary for transaction and equipment inventory monitoring. Two hundred sixty seven (267) ECE students from the 1142 ECE student population and 19 ECE Faculty Members served as respondents for the study. The respondents assessed the system in three areas - the Graphical User Interface (GUI), the Accuracy of Information Displayed and the Transaction Recording. Respondents rated the GUI in terms of design, user friendliness, minimal amount of time to perform its function and reliability. Overall rating of the system in terms of design was 4.22 (Effective); user friendliness was 4.50 (Effective); minimal amount of time to perform function was 4.51 (Highly Effective) and reliability to be 4.50 (Effective). In terms of the Accuracy of Information Displayed, the overall assessment for accuracy of reading of student Identification card was 4.72 (Highly Effective), accuracy of information being displayed was 4.71 (Highly Effective), accuracy of reading for room key to be 4.74 (Highly Effective) and equipment with 4.75 (Highly Effective). Overall rating of the system in terms of recording of borrower's information as 4.72 (Highly Effective), recording of key 4.71 (Highly Effective), recording of equipment 4.68 (Highly Effective) and updating of record to be 4.70 (Highly Effective). The results from the faculty and student respondents were subjected to T-test analysis to determine whether there is a significant difference between their assessments. Results have shown that there was no significant difference between student and faculty assessment.

Keywords: Laboratory Management, Automation, Equipment Inventory Monitoring, Bar Coding

1. INTRODUCTION

Engineering is a vital field for economic and technological modernization in a country nowadays. It encompasses the application of scientific and practical knowledge to invent,

design, build, maintain and improve structures, systems and processes scattered through the different area of specializations where the Electronics and Communications belong.

Graphical User Interface Lab Manual For Polytechnic

Richard Bailey

Graphical User Interface Lab Manual For Polytechnic:

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Graphical User Interface Lab Manual For Polytechnic**

In a world inundated with monitors and the cacophony of instant connection, the profound power and emotional resonance of verbal art often diminish into obscurity, eclipsed by the constant onslaught of sound and distractions. However, situated within the lyrical pages of **Graphical User Interface Lab Manual For Polytechnic**, a interesting function of fictional beauty that impulses with raw thoughts, lies an remarkable journey waiting to be embarked upon. Penned with a virtuoso wordsmith, this exciting opus courses viewers on an emotional odyssey, lightly exposing the latent potential and profound influence embedded within the delicate web of language. Within the heart-wrenching expanse of this evocative analysis, we shall embark upon an introspective exploration of the book is central themes, dissect its fascinating publishing style, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

Graphical User Interface Lab Manual For Polytechnic Introduction

Graphical User Interface Lab Manual For Polytechnic Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Graphical User Interface Lab Manual For Polytechnic Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Graphical User Interface Lab Manual For Polytechnic : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Graphical User Interface Lab Manual For Polytechnic : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Graphical User Interface Lab Manual For Polytechnic Offers a diverse range of free eBooks across various genres. Graphical User Interface Lab Manual For Polytechnic Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Graphical User Interface Lab Manual For Polytechnic Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Graphical User Interface Lab Manual For Polytechnic, especially related to Graphical User Interface Lab Manual For Polytechnic, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Graphical User Interface Lab Manual For Polytechnic, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Graphical User Interface Lab Manual For Polytechnic books or magazines might include. Look for these in online stores or libraries. Remember that while Graphical User Interface Lab Manual For Polytechnic, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow

Graphical User Interface Lab Manual For Polytechnic eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Graphical User Interface Lab Manual For Polytechnic full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Graphical User Interface Lab Manual For Polytechnic eBooks, including some popular titles.

FAQs About Graphical User Interface Lab Manual For Polytechnic Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Graphical User Interface Lab Manual For Polytechnic is one of the best book in our library for free trial. We provide copy of Graphical User Interface Lab Manual For Polytechnic in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Graphical User Interface Lab Manual For Polytechnic. Where to download Graphical User Interface Lab Manual For Polytechnic online for free? Are you looking for Graphical User Interface Lab Manual For Polytechnic PDF? This is definitely going to save you time and cash in something you should think about.
