

How To Write An Employee Manual

Sharon L. Fullen

How To Write An Employee Manual:

Employee Handbook Scott D. Rechtschaffen, Susan Kemp, 1995 *Employee Handbook* Scott D. Rechtschaffen, Garry G. Mathiason, Jeffrey M. Tanenbaum, Melanie Wiegner, 1992 Employee Handbook Susan Kemp, California Chamber of Commerce, 2004-01-01 **How to Prepare and Write Your Employee Handbook** Edward M. Anson, 1984 *How to Write Your Own Effective Employee Handbook in 1 Hour Or Less* ATLANTIC PUBLISHING GROUP, Atlantic Publishing Group Inc. Staff, 2013-12-31

No matter the number of employees working at your business employment policies should be distributed in writing to every employee. An employee handbook is the most important communication tool between you and your employees. A well written handbook sets forth a company's expectations for its employees and describes what they can expect while working for the business. An employee handbook should describe the employer's legal obligations and the employees' rights. The U.S. Supreme Court has ruled that businesses can protect themselves against damages from employee lawsuits by providing clear written policies covering the rights and responsibilities of their employees. Even if you have only one employee, a written handbook could keep you out of court. Written policies provide the principles and a basis for how businesses can manage their employees. The employee handbook can help prevent misunderstanding by listing the company's policies so employees and managers know what is expected of them. A handbook will also assist with employment law compliance. A written employee handbook gives everyone, including management, the same set of rules to follow.

How to Write Your Own Effective Employee Handbook In One Hour Or Less is the ideal solution for producing your own handbook quickly and efficiently. The companion CD-ROM contains an employee handbook template in Microsoft Word format which you can easily edit for your own purposes. Essentially, you just need to fill in the blanks. The book discusses various options you might have in developing the policies. Our employee handbook has been edited and approved by attorneys specializing in employment law. Developing your own handbook now could not be easier or less expensive. The companion CD-ROM containing the template is available in both English and Spanish on a single disc. The following topics are covered in the new 2011 edition of the book: at will employment, equal opportunity, employment sexual harassment, immigration law, criminal convictions, probationary periods, personnel files, orientation, exempt and non-exempt employment, classifications, pay periods, breaks, time keeping, overtime, performance reviews, expense reimbursement, attendance, meetings, telecommuting, holidays, vacations, drugs and alcohol, workplace violence and weapons, smoking, food and beverage areas, attire, telephone use, use of company property, safety and security, confidential information, conflicts of interest, employment of relatives, sick leave, disability leave, medical leave, leave of absence, jury duty, military duty, benefits, eligibility, medical insurance, retirement plans, employee discounts, workers compensation, COBRA, termination and termination process. With this new book, there is finally a cost-effective solution for developing your own employee handbook for the small to medium sized business owner. Simply review the more than 100 policies already written for you and insert your own information when prompted. The template

comes complete with a table of contents introduction and a form for each employee to sign acknowledging receipt of the manual Complete Employee Handbook Michael A. Holzschu,2007-08-20 This concise yet comprehensive reference helps employers responsibly and effectively deal with the basic personnel issues they face each day It guides employers in the development of a cohesive personnel program that is tailored to meet their companies unique needs and goals The author explicates potentially confusing matters such as employment at will equal opportunity sexual harassment the disabled and immigrant and legal alien workers in lay terms and points out the dangers of oversight Stressing the importance of consistency and documentation he addresses the full range of personnel issues An invaluable resource for any business that doesn't have a personnel expert on staff CD contains sample employee handbooks federal regulations and laws forms for complying with government programs and worksheets for assessing personnel needs and goals **Hospitality Employee**

Management and Supervision Kerry L. Sommerville,2007-02-26 In many hospitality establishments one manager or supervisor is the entire human resources department making all the hiring and training decisions often without having a formal human resources background Filling this knowledge gap Hospitality Employee Management and Supervision provides both busy professionals and students with a one stop comprehensive guide to human resources in the hospitality industry Rather than taking a theoretical approach this text provides a hands on practical and applications based approach The coverage is divided into four sections legal considerations employee selection employee orientation and training and communication and motivation Each chapter in this lively and engaging text features Quotations Various practitioners in the hospitality industry highlight the chapter's focus Chapter Objectives and Summaries lay out key concepts and then at the end of each chapter review them HRM in Action features highlight real world HRM experiences that relate to the content presented in each chapter Tales from the Field Hospitality employees provide accounts of the various challenges they face in the industry Ethical Dilemmas Scenarios from the hospitality industry which emphasize the role ethics plays in every aspect of the hospitality industry Practice Quizzes and Chapter Review Questions reinforce student comprehension of key concepts Hands On HRM Mini cases based on real world situations with discussion questions Chapter Key Terms Bolded within the chapter and then listed at the end of each chapter with definitions Create Your Own Employee Handbook Amy DelPo,Lisa Guerin,2003 Provides human resource professionals and business owners guidance in creating an employee handbook covering such topics as hiring payroll benefits performance evaluations and privacy in the workplace The Complete Human Resources Writing Guide Diane Arthur,1997 Here's the first writing manual designed especially for HR professionals It combines clear complete how to do it guidelines on writing with more than 100 actual samples of HR documents **The Restaurant Manager's Handbook** Douglas Robert Brown,2007 Book CD This comprehensive book will show you step by step how to set up operate and manage a financially successful food service operation This Restaurant Manager's Handbook covers everything that many consultants charge thousands of dollars to provide The extensive resource guide details more
