aspect of Polke's practice which allows for a concentrated consideration of critical issues such as Polke's use of language or textiles that have never been discussed before in any depth. A richly illustrated chronology presents a cultural frame for Polke's work and an interview with Benjamin Buchloh offers insight on Polke's first retrospective held in 1976. The catalogue includes contributions by a wide range of authors with great expertise most of whom have never published on Polke before thus broadening the scope of scholarship on Polke and offering new thinking about this chameleon-like artist. *In Numbers* Victor Brand, 2009.
