FOREWORD

This is the first manual of a Kubota engine. This engine is a product of Kubota's quality engineering and manufacturing. It is made of fine material and under a high quality control system. It will give you long, satisfactory service. To obtain the best use of your engine, please read this manual carefully. It will help you become familiar with the operation of the engine and contain many helpful hints about engine maintenance. It is Kubota's policy to offer its quality as possible even without a fee. However, the immediate use of this technique in the manufacture of products may cause some small parts of the manual to be outdated. Kubota's distributors and dealers will have the most up-to-date information. Please do not hesitate to consult with them.

SAFETY FIRST

This symbol, the industry's "Safety First" symbol, is used throughout the manual and on labels on the machine itself to warn of the possibility of personal injury. Read these instructions carefully. It is essential that you read the instructions and safety regulations before you attempt to operate or use the unit.
