Theatre and Internationalization Ulrike Garde, John R. Severn, 2020-10-29 Theatre and Internationalization examines how internationalization affects the processes and aesthetics of theatre and how this art form responds dramatically and thematically to internationalization beyond the stage With central examples drawn from Australia and Germany from the 1930s to the present day the book considers theatre and internationalization through a range of theoretical lenses and methodological practices including archival research aviation history theatre historiography arts policy organizational theory language analysis academic practitioner insights and literary textual studies While drawing attention to the ways in which theatre and internationalization might be contributing productively to each other and to the communities in which they operate it also acknowledges the limits and problematic aspects of internationalization Taking an unusually wide approach to theatre the book includes chapters by specialists in popular commercial theatre disability theatre Indigenous performance theatre by and for refugees and other migrants young people as performers opera and operetta and spoken art theatre An excellent resource for academics and students of theatre and performance studies especially in the fields of spoken theatre opera and operetta studies and migrant theatre Theatre and Internationalization explores how theatre shapes and is shaped by international flows of people funds practices and works

HISTOIRE DE FRANCE FELIX RAGON, 1874

Forced Migration and Human Security in the Eastern Orthodox World Lucian N. Leustean, 2019-11-04 The conflict in Eastern Ukraine and the European refugee crisis have led to a dramatic increase in forced displacement across Europe Fleeing war and violence millions of refugees and internally displaced people face the social and political cultures of the predominantly Christian Orthodox countries in the post Soviet space and Southeastern Europe This book examines the ambivalence of Orthodox churches and other religious communities some of which have provided support to migrants and displaced populations while others have condemned their arrival How have

religious communities and state institutions engaged with forced migration How has forced migration impacted upon religious practices values and political structures in the region In which ways do Orthodox churches promote human security in relation to violence and the other The book explores these questions by bringing together an international team of scholars to examine extensive material in the former Soviet states Ukraine Russia Georgia and Belarus Southeastern Europe Turkey Greece Serbia Bulgaria and Romania Western Europe and the United States

The Resources of the Past in Early Medieval Europe Clemens Gantner, Rosamond McKitterick, Sven Meeder, 2015-02-05 This volume analyses the importance of history the textual resources of the past and the integration of Christian and imperial Rome into the cultural memory of early medieval Europe within the wider question of identity formation The case studies in this book shed new light on the process of codification and modification of cultural heritage in the light of the transmission of texts and the extant manuscript evidence from the early Middle Ages The authors demonstrate how particular texts and their early medieval manuscript representatives in Italy Francia Saxony and Bavaria not only reflect ethnic social and cultural identities but themselves contributed to the creation of identities gave meaning to social practice and were often intended to inspire guide change or prevent action directly or indirectly These texts are shown to be part of a cultural effort to shape the present by restructuring the past

Psychoanalytic Perspectives on Women and Power in Contemporary Fiction Rossella Valdrè, 2017-07-14

Psychoanalytic Perspectives on Women and Power in Contemporary Fiction psychoanalytically examines contemporary fiction portraying the female in a reversal of the stereotyped victim role The recent popularity of powerful female characters suggests that literature is ahead in its understanding the desires fantasies and unconscious emotions of the public This book explores a form of intimacy frequently observed in consulting rooms and in life in general malicious intimacy Specific to the conjugal bond it is a type of intimacy connected to the relationship between the two halves of the couple that is extremely powerful and painful Instead of clinical cases Rossella Valdrè examines four contemporary and widely successful novels published contemporaneously which capture perfectly this type of psychopathological universe Valdrè then maps out psychoanalytic hypotheses regarding the persistency of these malicious intimacies Through analysis of these examples Valdrè investigates the roots and hypotheses of a new scenario on victim executioner roles played out in the intimacy of the couple Exploring how and if the contemporary couple is undergoing profound changes she provides an overview of the various deep seated psychological mechanisms and unconscious dynamics that may be at work The book explores the need to not be dependant upon a love object as an extreme defence against abandonment or self collapse Valdrè argues that such a configuration is very common and that Idealization in contemporary life is one of the reasons behind the most of sufferance in modern couples something which psychoanalysis can examine through art Women perhaps after emancipation are living overturned roles and paying a higher cost as a result Psychoanalytic Perspectives on Women and Power in Contemporary Fiction will appeal to psychoanalysts and psychoanalytic psychotherapists and be of interest to scholars and students of

literature gender studies philosophy and sociology

Activated Script Analysis Elizabeth Brendel Horn, 2023-05-02

Activated Script Analysis engages theatre students in traditional formative script analysis through a fusion of devised theatre and various modes of creative expression dispelling the notion of script analysis as an isolated pen to paper task and reimagining it as a captivating and collaborative process This book uses diverse contemporary plays to model the script analysis process for each of four Theatrical Elements Given Circumstances Character Setting and Structure By considering each of these elements readers can uncover patterns and themes within a dramatic text Woven throughout the study of each theatrical element are Connections Personal Connections which encourage readers to explore a theatrical element within their own lives as though their lives were a script Play Connections which make abstract ideas presented in script analysis concrete through theatre based play Professional Connections which examine how a theatre professional might analyze a script within their own work and Performative Connections which provide the opportunity for students to explore a theatrical element through performance using devised theatre strategies At the end of each chapter readers are given the opportunity to analyze a text through the lens of a Theatrical Element and to express their findings through a variety of digital written visual and performance based modes of expression Activated Script Analysis is designed for undergraduate theatre students and educators to be used as the primary text in Script Analysis coursework or as a supplemental text in Acting or Directing courses The book includes access to downloadable templates and example videos available at www.routledge.com

9781032125398 **Performing Iran** Babak Rahimi, 2021-08-26 The result of collaborative research from noteworthy dramatists and scholars this volume investigates the dynamic relationship between culture performance and theatre in Iran The studies gathered here examine how various forms of performances especially theatre have and continue to undergo change in response to shifting political and social settings from the antiquity to the present day The analysis in this book focuses on performance practices examining drama texts rituals plays music cinema and drama technologies This is done in order to show how Iran has been imagined through enactments and representations and reproduced through these performative actions The book uses a wider definition of the concept of performance offering analysis of a wide range of phenomena including indigenous rituals such as the naqqali and taziyyeh and online performances by diaspora communities

Wavin' Flag: World Cup of Soccer Terror in Africa Martin Avery, 2010-06-24 A literary thriller that mixes sports with terrorism set in South Africa during the World Cup of Soccer 2010 Possibly the best soccer novel since *The Goalie's Anxiety At The Penalty Kick* *Performance in Greek and Roman Theatre* George Harrison, Vayos Liapis, 2013-03-15 In recent years classicists have begun aggressively to explore the impact of performance on the ways in which Greek and Roman plays are constructed and appreciated both in their original performance context and in reperformances down to the present day While never losing sight of the playscripts it is necessary to adopt a more inclusive point of view one integrating insights from archaeology art history performance theory theatre semiotics theatrical praxis and modern performance reception This

volume contributes to the restoration of a much needed balance between performance and text it is devoted to exploring how performance related considerations including stage business masks costumes props performance space and stage sets help us attain an enhanced appreciation of ancient theatre Sensing the Past Jim Cullen, 2013-01-09 How do perceptions of the past not just of particular events but of the trajectory of history as a whole shape our experience of the world Sensing the Past tackles this question with an unlikely source of historical insight the work of six major Hollywood stars Clint Eastwood Daniel Day Lewis Denzel Washington Tom Hanks Meryl Streep and Jodie Foster By focusing on the career choices made by these iconic actors Cullen uncovers a discrete set of historical narratives revealing the surprising ways historical forces shape our understanding of the world
