| <b>0 marks = no response or no response worthy of credit</b> |                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                              |
| <b>Explanation, analysis and argument</b>                    | Candidates offer a limited response to the topic area. There is a limited degree of clarity and engagement with the films studied. Comparison between texts is largely absent or implicit and there may be inaccuracy in the limited argument offered. Overall the response may be incomplete and/or lack relevance to the question.<br>[1-7] | Candidates offer a basic response with some limited ability to link to the wider contexts the question demands. Response is largely coherent with a basic attempt at comparison.<br>[8-11]                      | Candidates offer a response which demonstrates a proficient ability to engage with the issues that the question demands. At the top end this is a proficient grasp of the wider contextual issues that the chosen texts operate within. Comparison between texts is clear and some appropriate links between the texts is evident.<br>[12-15] | Candidates demonstrate excellent knowledge and understanding of the contextual issues relevant to the films studied. Arguments are well structured and convincing offering clear engagement with the films discussed. Comparison is confident, relevant and sustained throughout.<br>[16-20] |
| <b>Use of Examples</b>                                       | Use of examples is brief, limited and may not be relevant to the topic area. Reference to two texts from different non-English language regions or historical contexts may be ignored or inaccurate.<br>[1-7]                                                                                                                                 | Description may dominate with limited reference to textual evidence from the focus films. Examples may be appropriate but infrequent and offer a basic exploration of the texts studied.<br>[8-11]              | Candidates at this level demonstrate proficient ability to support points with textual evidence. They make detailed and accurate reference to the films studied and demonstrate some ability to link examples to the demands of the question.<br>[12-15]                                                                                      | Candidates at this level demonstrate an excellent ability to support points with frequent and accurate textual evidence. They make use of a range of examples from the texts and demonstrate confident ability to link examples to the demands of the question.<br>[16-20]                   |
| <b>Use of terminology</b>                                    | Use of film terminology is limited and not always accurate.<br>[1-3]                                                                                                                                                                                                                                                                          | Use of film terminology is largely accurate but basic and may lack frequency.<br>[4-5]                                                                                                                          | Use of film terminology is appropriate, frequent and mostly accurate in its application.<br>[6-7]                                                                                                                                                                                                                                             | Use of film terminology is confident, frequent and consistently accurate.<br>[8-10]                                                                                                                                                                                                          |
| <b>General guidance including QWC</b>                        | Simple and generalized ideas are expressed here and may be frequently inaccurate. Clarity in expression is limited, and errors in spelling, punctuation and grammar prevent effective communication.                                                                                                                                          | Responses are appropriate but simple. Knowledge is evident but may at times be insecure and lack detail. Errors in spelling, punctuation and grammar are present some of which may be noticeable and intrusive. | Responses are relevant and demonstrate clarity and fluency. A clear attempt to address the set question is evident although responses may at times stray from this. Communication is clear with some errors in spelling, punctuation and grammar but these are rarely noticeable or intrusive.                                                | Clear engagement with non-English language texts is evident, expressed in a clear and fluent manner. The question is fully explored and clearly contextualized. There may be few if any errors in spelling, grammar and punctuation.                                                         |

## FAQs About Mph1fp January 2014 Mark Scheme Books

**What is a Mph1fp January 2014 Mark Scheme PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Mph1fp January 2014 Mark Scheme PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Mph1fp January 2014 Mark Scheme PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Mph1fp January 2014 Mark Scheme PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Mph1fp January 2014 Mark Scheme PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
