

Warranty and Service Information

Mr. Coffee® CoffeeSaver Set is manufactured by Tila, Inc. ("Tila"). We stand behind our products. That's why we provide a warranty on the CoffeeSaver Appliances and Accessories.

ONE-YEAR LIMITED WARRANTY

The following warranty policy applies only to the original consumer of this product and is not transferable. Evidence of original purchase is required for warranty service (this could be the sales receipt or packing slip, etc.).

What the Warranty Covers

Tila warrants, for one year from the date of purchase, to the original consumer, the CoffeeSaver Appliances and associated CoffeeSaver products in this kit to be free from defects in materials and workmanship under intended home use, subject only to the limitations and exclusions set out below.

What the Warranty Does Not Cover

This warranty to the original consumer shall terminate and be of no further effect one year after the date of the original purchase or if you sell or otherwise transfer the product. This warranty is voided if the product is:

- Used for commercial or rental purposes;
- Damaged due to careless or improper maintenance, misuse, abuse or operation not in accordance with the operating instructions as explained in the Reference Guide;
- Service or repaired by persons other than those authorized by Tila, Inc.;
- Modified, altered, altered or tampered with;
- Damaged due to natural disasters including but not limited to lightning or power surges; or
- Used in any conjunction with equipment or parts or as part of any system not manufactured by Tila.

This limited warranty is the sole and entire warranty pertaining to the product and is in lieu of and excludes all other warranties of any nature whatsoever, whether express, implied or arising by operation of law, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. This warranty does not cover or provide for the reimbursement or payment of incidental or consequential damages. This warranty is void outside North America (the United States, its possessions,

Canada and Mexico).

What Tila Will Do to Correct Problems

In the event the product does not conform to this warranty at any time while this warranty is in effect, Tila will repair or replace the product (at Tila's option) and return it to you without charge for parts, service or any other cost (except shipping and handling) incurred by Tila or its representative in connection with the performance of this warranty.

How State Law Relates to this Warranty

This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state. If Tila cannot lawfully disavow or exclude implied warranties under applicable law, then to the extent possible any claims under such implied warranties shall expire on expiration of the warranty period. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages so the above limitation or exclusion may not apply to you.

Before you return your product for warranty service, call Tila's Consumer Services Department listed below for instructions and information. Any product returned for warranty service must be delivered freight prepaid in either its original packaging or packaging affording an equal degree of protection.

MR. COFFEE® CoffeeSaver Set Reference Guide

Features of Your CoffeeSaver Set

Welcome to CoffeeSaver

Congratulations!

You are about to enjoy the flavor benefits of the Mr. Coffee CoffeeSaver Set. The CoffeeSaver Appliance removes air from the specially designed CoffeeSaver Canister, extending the flavor of coffee up to five times longer than normal storage methods.

How It Works

Oxygen and moisture in air cause coffee beans and ground coffee to quickly lose flavor and aroma. But the CoffeeSaver patented vacuum sealing process removes air and seals the canister tight, preventing oxidation. It's proven technology that extends the fresh taste of your coffee.
