Implications of Multinational Firms for World Trade and Investment and for U.S. Trade and Labor United States Tariff Commission, United States. Congress. Senate. Committee on Finance, 1973 **Acquisitions by Emerging Multinational Corporations** Johannes Distler, 2017-07-27 This thesis analyzes the motivation and performance of 403 acquisitions made by emerging multinational corporations EMNCs in Western Europe and North America between 1994 and 2013 The findings indicate that most EMNCs were motivated to acquire in order to obtain access to the upstream and downstream know how of their target firms In addition the thesis event study results demonstrate that EMNCs on average generated value for their shareholders with their acquisitions over short periods around acquisition announcement This result is particularly significant since similar studies on buying firms from developed markets have frequently come to the conclusion that acquirers destroy shareholder value *Multinational Corporations* United States. Congress. Senate. Committee on Finance. Subcommittee on International Trade, 1973 **State Taxation of Interstate Commerce** United States. Congress. Senate. Committee on Finance. Subcommittee on State Taxation of Interstate Commerce, 1973 Global Business Regulation John Braithwaite, Peter Drahos, 2000-02-13 Across an amazing sweep of the critical areas of business regulation from contract intellectual property and corporations law to trade telecommunications labour standards drugs food transport and environment this book confronts the question of how the regulation of business has shifted from national to global institutions Based on interviews with 500 international leaders in business and government this book examines the role played by global institutions such as the WTO the OECD IMF Moody s and the World Bank as well as various NGOs and significant individuals The authors argue that effective and decent global regulation depends on the determination of individuals to engage with powerful agendas and decision making bodies that would otherwise be dominated by concentrated economic interests This book will become a standard reference for readers in business law politics and international relations
