ICAS2014-International Conference on Analytics Driven Solutions Eduardo Rodriguez, Department of Leisure Studies
Greg Richards, Greg Richards, 2014-09-10 **Common Sense Questions about Tests** Gerard Giordano, 2016-03-07 Parents had questions about the tests their children took at school They considered them to be common sense questions They posed them to the businesspeople publishers and politicians who championed tests They also posed them to the school administrators teachers and union leaders who criticized them This book examines the questions the parents posed the answers they elicited and the changes they prodded **University Trends** Jonathan Coulson, Paul Roberts, Isabelle Taylor, 2014-09-15 A university campus is a place with special resonance conjuring images of cloistered quadrangles and wood panelled libraries often echoing centuries of scholarly tradition And yet it is also a place of cutting edge science interactive learning youth vibrancy and energy It is this dual nature which makes the physical environment of a university so dynamic as well as a highly challenging landscape to design and manage successfully Today the scale of the pressures and the rate of change facing higher education institutions are greater than ever Squeezed public spending rising tuition fees and the growing education ambitions of developing nations are set against a backdrop of rapid technological progress and changing pedagogies What are the repercussions for the physical realities of university planning and architecture And how are university campuses adapting to contend with these pressures University Trends introduces the most significant widespread and thought provoking trends in campus design today Part 1 identifies current trends such as starchitecture large scale campus extensions adaptive re use and international branch campuses Part 2 profiles each trend via highly illustrated global case studies of well publicised as well as lesser known projects The essential guide to current and future trends in campus design *Worldwide Perspectives on Lesbians, Gays, and Bisexuals* Paula Gerber Ph.D., 2021-01-26 This three volume set is a rich resource for readers in any discipline interested in understanding the global regional and domestic experiences of LGB people This interdisciplinary set makes a vital contribution to understanding how LGB rights are progressing and in some cases regressing around the globe The three volumes look at the lived experiences of LGB people from varied perspectives and provide comprehensive coverage on a wide variety of topics ranging from LGB youth and LGB aging to the approaches to LGB people of different religions including Islam Judaism and Christianity Chapters focus on topics including the ongoing criminalization of same sex sexual conduct and how international human rights law can be used to improve the lives of LGB people Particular attention is paid to the rights of bisexuals a group often ignored in works focusing on sexual orientation Volume 1 focuses on history politics and culture relating to LGB people Volume 2 focuses on the laws domestic and international governing LGB people and Volume 3 provides snapshots of the current state of LGB experience in countries worldwide presented by geographical region Europe the Americas Africa the Middle East and the Asia Pacific region *If Einstein Ran the Schools* Thomas Armstrong Ph.D., 2019-10-11 Many world class thinkers and

creators have been concerned about the state of education in the United States Discover their thoughts on how children really learn and what teachers must do to optimally tap children s latent abilities During the last three decades education reformers have pushed standardized testing and policies like No Child Left Behind and Common Core to improve test scores and proficiency in basic skills However during this period that author Thomas Armstrong calls the miseducation of America a number of troubling trends have surfaced including a decrease in creative thinking scores among children in kindergarten through third grade Rather than focus on what s wrong with the education system that has produced these outcomes Armstrong lays out what creative thinkers know about how children should be educated In an extended thought experiment he asks what would happen if we turned the reins of educational policy over not to the politicians and educational bureaucrats but to eminent thinkers and creators like Albert Einstein Pablo Picasso Martin Luther King Jr Rachel Carson Doris Lessing Jane Goodall and other seminal culture builders What might they say about the best way to educate a child If Einstein Ran the Schools suggests that the answers to this intriguing question should guide future efforts to reform our nation s schools

The Progressive Miseducation of America Corey Miller,2025-10-14 If You Want to Change the World Change the University Our culture is undergoing radical change We see evidence of this cultural revolution all around us as values norms language and laws all shift beneath our feet But this revolution didn t come out of nowhere and it isn t too late to stop it The Progressive Miseducation of America is an eye opening look at how our universities have polluted the cultural landscape we live in today and how Christians can take strategic actions in response As a dedicated student of culture and revolutionary history Corey Miller brings clear insights and actionable ideas to help you understand and defend against ideas subversive to the Christian faith further the Christian life and worldview through intentional methods of being salt and light inspire change not only within your family and church but in the broader culture Sobering yet optimistic this bold and inspiring resource will equip you to take concrete steps in making the largest and most sustainable difference in both your community and the world

Rage Becomes Her Soraya Chemaly,2018-09-11 A BEST BOOK OF 2018 SELECTION NPR The Washington Post Book Riot Autostraddle Psychology Today A BEST FEMINIST BOOK SELECTION Refinery 29 Book Riot Autostraddle BITCH Rage Becomes Her is an utterly eye opening Bustle book that gives voice to the causes expressions and possibilities of female rage As women we ve been urged for so long to bottle up our anger letting it corrode our bodies and minds in ways we don t even realize Yet there are so so many legitimate reasons for us to feel angry ranging from blatant horrifying acts of misogyny to the subtle drip drip drip of daily sexism that reinforces the absurdly damaging gender norms of our society In Rage Becomes Her Soraya Chemaly argues that our anger is not only justified it is also an active part of the solution We are so often encouraged to resist our rage or punished for justifiably expressing it yet how many remarkable achievements would never have gotten off the ground without the kernel of anger that fueled them Approached with conscious intention anger is a vital instrument a radar for injustice and a catalyst for change On the flip side the societal and

cultural belittlement of our anger is a cunning way of limiting and controlling our power one we can no longer abide A work of great spirit and verve Time Rage Becomes Her is a validating energizing read that will change the way you interact with the world around you
