

The Scope and Sequence document represents an articulation of what students should know and be able to do. The document supports teachers in knowing how to help students achieve the goals of the standards and to understand each standard conceptually. It should be used as a tool to assist in planning and implementing a high quality instructional program.

- The units provide a snapshot of instruction across a year.
- The unpacking section contains rich information and examples of what the standards and benchmarks mean.
- The progressions provide valuable information for pre-assessment as well as information on what follows.

MATHEMATICS STANDARDS

Standard 1: Numbers and Algebra

Counting and Cardinality: Learners understand that numbers are a naming system. (CC)

Numbers Base Ten: Learners understand that the base ten place value system is used to represent numbers and number relationships. (NB.T)

Operational Thinking and Algebra: Learners understand that numbers and algebra represent and quantify our world and can be used to solve problems. (OA)

Number and Operations – Fractions: Learners understand that fractions and decimals are ways of representing whole-part relationships. (NF)

Standard 2: Learners understand that objects and events have attributes that can be measured and compared using appropriate tools.

Standard 3: Learners understand that geometry models and quantifies structures in our world and can be used to solve problems.
