**Bloodline** Ernest J. Gaines, 2012-10-31 In these five stories Ernest Gaines returns to the cane fields sharecroppers shacks and decaying plantation houses of Louisiana the terrain of his great novels *A Gathering of Old Men* and *A Lesson Before Dying* As rendered by Gaines this country becomes as familiar and as haunted by cruelty suffering and courage as Ralph Ellison's Harlem or Faulkner's Yoknapatawpha County Gaines introduces us to this world through the eyes of guileless children and wizened jailbirds black tenants and white planters He shows his characters eking out a living and making love breaking apart and coming together And on every page he captures the soul of black community whose circumstances make even the slightest assertion of self respect an act of majestic and sometimes suicidal heroism *Bloodline* is a miracle of storytelling **STORIES INCLUDE** *A Long Day in November* *The Sky Is Gray* *Three Men* *Bloodline* *Just Like a Tree* **The**

Zora Neale Hurston, 2008-06-03 Though she died penniless and forgotten Zora Neale Hurston is now recognized as a major figure in African American literature Best known for her 1937 novel Their Eyes Were Watching God she also published numerous short stories and essays three other novels and two books on black folklore Even avid readers of Hurston's prose however may be surprised to know that she was also a serious and ambitious playwright throughout her career Although several of her plays were produced during her lifetime and some to public acclaim they have languished in obscurity for years Even now most critics and historians gloss over these texts treating them as supplementary material for understanding her novels Yet Hurston's dramatic works stand on their own merits and independently of her fiction Now eleven of these forgotten dramatic writings are being published together for the first time in this carefully edited and annotated volume Filled with lively characters vibrant images of rural and city life biblical and folk tales voodoo and most importantly the blues readers will discover a real Negro theater that embraces all the richness of black life **British Bee Journal & Bee-keepers Adviser**, 1928 [Catalog of Copyright Entries](#) Library of Congress. **South Station** Alice Barton, 2005 Set in World War II Lowell Massachusetts Alice

Barton's engrossing first novel portrays time and place as integral to the coming of age of Honey Lee Murphy caught in the complexities of family relationships that are strained by her religious regional parental and class identifications. But these identifications by no means overpower the truly magical individuality of Barton's characterizations. Barton manages to compose her characters out of themes derived from a deeply lived experience of Catholicism, the overwhelming emotional involvement of first love, memories of a much loved father who is a casualty of war, and the harsh but devoted ways of a grandmother. The mounting suspense crests as Honey Lee works to resolve conflicts that are both inner and outer. Barton's delicate handling of tension is both dramatic and insightful. I was unable to put *South Station* down. Rosamond Rosenmeier, *Lines Out*, Alice James Books. I was struck by the importance, the human complexity of the moment of history Barton chooses to focus on in her first novel *South Station*. She has a surefooted fictional sense. Carefully crafted scenes and memorable characters drive the plot to a powerful climax. Fred Marchant, *Tipping Point* and *Full Moon Boat*, Greywolf Press. Barton's *South Station* has a read-me plot. She creates characters complex in themselves and deftly handles their complicated relationships. Barton's assured command of setting and the rare pureness of her prose make *South Station* a delight. Jack Beatty, Senior Editor, *Atlantic Monthly*, Regular Contributor, On Point, National Public Radio, and author of *The Rascal King*. *The Life and Times of James Michael Curley*. *The Power of Purrs*, Gary Shiebler, 2008. *Familial Integrity*, Beverley Bright Star, 2013-04-01. It is our sincere hope that this book will mark a turning point in the spiritual evolution of this planet and its restoration to the galactic lineage of nations to which you belong. Make no mistake, this book has the power to change lives and Earth history if you will let it. The Sirian Council of 12, through Beverley Bright Star. *Familial Integrity* is a series of diverse exciting stories designed to unlock hidden pathways within the reader to reawaken ancient knowledge buried deep within the group consciousness of humanity. These stories explore in depth the concept of familial integrity, the moral foundation for the inhabitants of many other advanced planets and higher dimensions. This idea does not limit itself to the conventionally conceived family unit but instead promotes harmony within the entire Earth family. When you learn to see all of humanity as your brothers and sisters, you can no longer let anyone starve or deny them adequate food or housing. You cannot cheat, lie, and steal from anyone, let alone kill them, when you fully acknowledge them as your own flesh and blood, the family members they truly are. This book outlines the necessary changes that humankind must make for the coming new age in practical ways that can be applied in our daily lives. When the principles of familial integrity are widely accepted, they will serve as a catalyst for global change among individuals and nations, bringing stability, peace, and love to the entire planet.
