Hello, ☺

They call me Rodney Graff and I am the highly experienced technician and provider of these in-home services established in 1995 after I gained substantial experience over many years as a lead technician or department manager at other companies dating back to 1979.

Welcome to my Headquarters and Office where our primary mode of communications is not an email, text message or tweet but is in fact a **personal** one on one phone call at: **303-609-4229** (mobile) or **303-622-9668** (office).

My goal is to provide the best service possible as an honest contractor well aware of your appliance service needs. And my goal includes a \$20 [cash discount](#) on repairs, a full [two year warranty](#) on all services and a 100% customer satisfaction guaranty as well as a [price](#) meet or beat assurance.

In fact, I am currently maintaining or even beating 2014 [flat rate](#) pricing guidelines as set forth in the industry standard [blue book](#) so it really does boil down to the [bottom line](#) and yes, there have been significant price increases in 2015, 2016 and into 2017 so by using the 2014 price book, I am already beating all the newer, higher prices as set by industry standards! ☺

My technical experience includes but is not limited to: Aircraft, Vehicles, Agricultural equipment, Forklifts & Trucks, Hydraulic systems, Construction Equipment, Plumbing, Electrical, HVAC, Small appliances, Electronics, Computers and Major Appliances.

I use my technical skills to the best of my ability and remain up to date on the latest technology, diagnostics and repair procedures.

I strive to provide excellent service, maintain a well-stocked van and I am here to help.

I am clean and professional in your home and I arrive as scheduled or call if there is an unforeseen problem with scheduling which is very rare.

I use [exact replacement parts](#) as much as possible and I double-check my work as well as provide follow-up calls and warranty work as needed.
