The Country Gentleman ,1927 **Elephants at Work** J. Lou Barnes,2005-12-15 Looks at the ways that elephants have been put to use to help humans from service in Hannibal s army and roles in religious ceremonies to carrying loads and performing as entertainers The Psychology of Early Childhood C.W. Valentine,2015-06-05 Originally published in 1942 this title attempted to trace from their very earliest appearances after birth all aspects of mental development in childhood up to the age of about 4 or 5 It is based largely on the author s almost daily observations of his own five children over a period of some twenty years supplemented by numerous tests and experiments The first purpose of this book was to advance our knowledge of the psychology of childhood The importance of such knowledge had become increasingly recognised Even if not all is completely determined in the first 4 5 years there was little doubt by this time that these first years are of profound significance for future development and the better understanding and training of the young child may be at the root of many of our educational and social problems War Elephants Sabine Lorca,AI,2025-03-29 War Elephants explores the fascinating history of elephants in ancient warfare highlighting their initial dominance and eventual decline These massive animals often armored and bearing armed riders were once a formidable tactical asset The book reveals intriguing details such as how some cultures invested heavily in elephant domestication and training while others developed specialized anti elephant tactics to neutralize their impact The book progresses chronologically beginning with the natural history of elephants and their suitability for war It then examines their use in significant battles and campaigns from Alexander the Great s encounters to Hannibal s daring crossing of the Alps Finally it analyzes the factors that led to their obsolescence including logistical challenges and new military technologies This study uniquely examines the ecological and economic context surrounding the use of war elephants detailing the resources needed for their upkeep and deployment By combining historical narrative with scientific insights War Elephants provides a comprehensive account of these magnificent creatures as instruments of war appealing to military history enthusiasts and anyone interested in the intersection of humans animals and conflict Elephants Emily Kington,2022-08-01 Elephants are some of the biggest animals alive today Animals in Danger Elephants looks at how different types of elephants survive in their natural habitats and how they live together Learn about their amazing trunks and how they can be used as a nose mouth or fingers Discover what tusks have to do with keeping elephants safe Learn about the differences between African and Asian Elephants and why some of them have been put to work Awesome photographs accompany sensitively written text it s a must read for young kids with an interest in caring for endangered animals and the planet Elephant in the Room Kristen Harper,2017-11-30 There s an elephant in the room and in the church Gluttony the sin of eating too much food and eating for the wrong reason The natural consequences of social embarrassment health problems and obesity plague many families these days but no one wants to talk

about the underlying respectable sin When Pastor Eric Harvey s family faces a crisis Eric turns to the Bible for perspective and answers What he learns launches his family and his church on a ten week challenge full of laughter and tears prayers and sweat and even coffee and homemade pastries Some members react with anger some with doubt others with enthusiasm like Nick Saint their very own professional Santa Hearts and lives are changed by the gospel of Jesus Christ and by true repentance Some people will lose weight too
