Education aims to bring about positive changes in our behavior. It helps us try to change our lives as well as the society we live in. Education that does not illuminate our minds or does not inspire us to work for the community is not complete at all. Education is not all about getting grades or receiving certificates. We use education to make life better. We are expected to apply the knowledge, skill and values that we learn in a classroom in our engagement with the world that lies outside. And we can do so in many different ways. Let's have a look at how education works.

Learners, civic engagement is highly appreciated all over the world. Civic engagement means working to make a difference in the civic life of the community using knowledge, skills, values and motivation. Civic engagement promotes the quality of life in a community by contributing to the improvement of health and wellbeing of the people.
