Europe yard sale twelve months later Beppe explores this foreign land with the self described patience of a mildly inappropriate beachcomber holding up a mirror to America s signature manners and mores Succumbing to his surroundings day by day he and his wife find themselves developing a taste for Klondike bars and Samuel Adams beer and even that most peculiar of American institutions the pancake house The realtor who waves a perfect bye bye the overzealous mattress salesman who bounces from bed to bed and the plumber named Marx who deals in illegally powerful showerheads are just a few of the better than fiction characters the Severgninis encounter while foraging for clues to the real America A trip to the computer store proves just as revealing as D C s Fourth of July celebration as do boisterous waiters angling for tips and no parking signs crammed with a dozen lines of fine print By the end of his visit Severgnini has come to grips with life in these United States and written a charming laugh out loud tribute **Proceedings** ,1994
