From Medjugorje to Spiritual Blogger Eva Scrivano-Conti, 2014-12-18 Lifelong Lessons from Medjugorje When Eva Scrivano Conti visited the mystical city of Medjugorje in southern Bosnia where the Virgin Mary appears to share messages with God's beloved children she did not guess that the experience would stay with her for a lifetime inspiring and informing her spirituality Eva was moved to write a book and start a blog to share her experiences and blessings Mary the Mother of Jesus Christ gives clear guidance in her messages to pray without ceasing for salvation and for humankind Jesus and Mary have both let us know that prayer is the way to communicate with God In her blog Eva shares stories prayers songs and resources to lift you up This contemplative loving book will inspire you to pray and strengthen your spiritual life and your relationship with God The Holy Highway Eva Scrivano-Conti, 2022-12-20 The holy highway is a daily journey to the heart of God Everyone is invited to take this journey I began taking this journey in 1990 when I went to this holy magical place called Medjugorje Since that time the Holy Spirit has led me to know that prayer reading holy scripture daily and helping others through encouragement and inspiration is essential in reaching the heart of God and that is why I have written an inspiration for each new day Hearing God's Voice: Towards a Theology of Contemporary Pentecostal Revelatory **Experience** Tania M. Harris, 2023-09-25 The revelatory experience or in common parlance hearing God s voice is prized by Pentecostal Charismatic Christians for its contribution to spirituality yet remains one of the most problematic areas of church life Theological tensions and pastoral fallout have plagued the experience since the time of the New Testament Drawing on the tools of practical theology this book presents the findings of a unique and ground breaking study among Australian Pentecostals With a theological framework modelled on New Testament practice and undergirded by the accountability of the local church many of the problems associated with revelatory experience can be addressed and the experience fully harnessed for kingdom purpose The Vatican Prophecies John Thavis, 2015-09-15 The process by which these supernatural events are authenticated is expertly told by John Thavis one of the world's leading Vaticanologists In fact that a book on so secretive and complex a topic is so deeply researched beautifully written and artfully told is something of a small miracle itself James Martin S J author of Jesus A Pilgrimage From the New York Times bestselling author of The Vatican Diaries a fascinating behind the scenes look at how the Vatican investigates claims of miraculous events Apocalyptic prophecies and miraculous apparitions are headline grabbing events that often put the Catholic Church's concept of rational faith at odds with the passion of its more zealous followers To some these claims teeter on the edge of absurdity Others see them as evidence of a private connection with God For the Vatican the issue is much more nuanced as each supposed miraculous event could have serious theological and political consequences In response the Vatican has developed a highly secretive and complex evaluation system to judge the authenticity of supernatural phenomena Former journalist John Thavis uses his thirty years experience covering the Vatican to shed light on this little known process revealing deep internal

debates on the power of religious relics private revelations exorcisms and more Enlightening and accessible to Catholics and non Catholics alike the book illustrates the Church's struggle to balance the tension between traditional beliefs and Interpreting and Explaining Transcendence Robert A. Yelle, Jenny Ponzo, 2021-09-07 In this contemporary skepticism volume an interdisciplinary group of scholars uses history sociology anthropology and semiotics to approach Transcendence as a human phenomenon and shows the unavoidability of thinking with and through the Beyond Religious experience has often been defined as an encounter with a transcendent God Yet humans arguably have always tried to get outside or beyond themselves and society The drive to exceed some limit or condition of finitude is an eduring aspect of culture even in a disenchanted society that may have cut off most paths of access to the Beyond The contributors to this volume demonstrate the humanity of Transcendence in various ways as an effort to get beyond our crass physical materiality as spiritual entrepreneurship as the ecstasy of rituals of possession and as a literary aesthetic and semiotic event These efforts build from a shared conviction that Transcendene is thoroughly human and accordingly avoid purely confessional and parochial approches while taking seriously the various claims and behavioral expressions of traditions in which Transcendence has been understood in theological terms Memoir of a Soul In Holy Love: Writings Inspired By the Heavenly Messages of the Blessed Virgin Mary A Soul, 2017-07-09 Part One consists of several writings that were written from 2011 to 2015 It provides a solid introduction into the spirituality of the United hears of Jesus Christ and the Blessed Virgin Mary Part Two is the testimony of the author of her faith journey Back cover volume 2 Love-letters to an Unnamed Party: Meditations and Reflections On the Messages of Our Lady of Medjugorje and Holy Love Ministries A Soul, 2017-07-09 This book is a compilation of several love letters and other writings about Marian apparitions that can be found on the author's blog This book provides a solid introduction into the spirituality of the United Hearts of Jesus Christ and the Blessed Virgin Mary the Sacred Heart and the Immaculate Heart the Two Hearts of Holy Love and Divine Love The heavenly messages relied upon by the author in this book come primarily from these two sources Our Lady of Medjugorje Holy Love Ministries Although this book is written by a Catholic Christian the intended audience is for all peoples of all faiths and non believers It is the sincere hope of the author that all readers will be inspired by the spirituality contained within the book s pages which the author believes comes directly from God s Own Paternal Heart Series Living in Holy Love Volume 1 Religion, Media, and Marginality in Modern Africa Felicitas Becker, Joel Cabrita, Marie Rodet, 2018-02-02 In recent years anthropologists historians and others have been drawn to study the profuse and creative usages of digital media by religious movements At the same time scholars of Christian Africa have long been concerned with the history of textual culture the politics of Bible translation and the status of the vernacular in Christianity Students of Islam in Africa have similarly examined politics of knowledge the transmission of learning in written form and the influence of new media Until now however these arenas Christianity and Islam digital media and old media have been studied separately Religion Media and Marginality in Modern Africa is one of

the first volumes to put new media and old media into significant conversation with one another and also offers a rare comparison between Christianity and Islam in Africa The contributors find many previously unacknowledged correspondences among different media and between the two faiths In the process they challenge the technological determinism the notion that certain types of media generate particular forms of religious expression that haunts many studies In evaluating how media usage and religious commitment intersect in the social cultural and political landscapes of modern Africa this collection will contribute to the development of new paradigms for media and religious studies Contributors Heike Behrend Andre Chappatte Maria Frahm Arp David Gordon Liz Gunner Bruce S Hall Sean Hanretta Jorg Haustein Katrien Pype and Asonzeh Ukah The Crown of Sanctity Daniel O'Connor, 2019-03-04 2 000 years ago the Son of God prayed to His Father Thy Will be done on Earth as it is in Heaven This prayer the greatest ever uttered by the lips of man will not go unanswered Jesus has revealed to an Italian mystic named Luisa that the time has now at last arrived for its fulfillment that is for the restoration of what was destroyed by Adam 6 000 years ago in the Fall of Man In brief the entire world is about to be radically transformed like never before in its history.
