 1) Virus                                      2) Fungus                                      3) Algae                                      4) Protozoa
2. A disease that spread due to bacteria  
 1) Malaria                                      2) Tuberculosis                                      3) Rabbits                                      4) Ebola
3. A part of eye that is focused on image of an object?  
 1) Ciliary muscle                                      2) Iris                                      3) Eye lens                                      4) Retina
4. A part of ear that contributes the body balance  
 1) Cochlea                                      2) Tympanic membrane  
 4) Ossicles                                      4) Semi circular canals
5. Identify the homo atomic molecule  
 1)  $\text{CH}_4$                                       2)  $\text{H}_2\text{O}$                                       3)  $\text{O}_2$                                       4)  $\text{NH}_3$
6. Select the homogeneous mixture  
 1) Muddy water                                      2) Cement mixture  
 3) Fruit mixture                                      4) Sea water
7. A valve found between left atrium and left ventricle  
 1) Bicupid valve                                      2) Tricuspid valve  
 3) Semi lunar valve                                      4) Pulmonary valve
8. Standard unit to measure the area  
 1)  $\text{M}^2$                                       2) N                                      3)  $\text{Nm}^{-2}$                                       4) kg
9. An instance that increase the pressure by reducing area  
 1) Broader tyre                                      2) Use wooden plank to walk on muddy  
 4) Tip of iron nail                                      4) Broader band of a school bag
10. Which method used to separate the components of crude oil  
 1) Crystallization                                      2) Evaporation  
 3) Steam distillation                                      4) Fractional distillation
