McMahon, Jr., James D. McMahon Jr., 2009-08-01 Milton Hershey School began as a dream and vision shared by chocolate magnate Milton S Hershey and his wife Catherine. Unable to have children of their own, the Hersheys decided to use their wealth to create a home and school for orphaned boys. Established on November 15, 1909, the first students of what was then called the Hershey Industrial School lived and attended class in the Homestead, the rural birthplace of Milton Hershey. Here they were provided with a stable home life and a rigorous combination of agricultural, vocational, and academic learning. Today Milton Hershey School continues the tradition of preparing students to lead productive and fulfilling lives by providing a cost-free private coeducational home and school for children from families of low income, limited resources, and social need. Milton Hershey School chronicles the history and traditions of a legacy that continues to serve the needs of the thousands of boys and girls touched by the generosity of Milton and Catherine Hershey every day *Official Souvenir Program of University of Virginia Versus ...*, 1970 Long Island High School Sports Christopher R. Vaccaro, 2009 For nearly 120 years Long Island has fielded high school sports teams. In that span, numerous local athletes rose to the highest level, dynasties were built, legends were made, and the nation's largest island was filled with captivating athletic stories and sports lore that will live forever. Long Island High School Sports strings together a pictorial history of Long Island's oldest, most famous, and well-respected teams, coaches, and athletes.
