Patricia Mellencamp

Indiscretion English Edition:

Discreet Indiscretions J rg R. Bergmann, Although discourse theory tends to draw upon lofty examples Discreet Indiscretions draws instead on one many consider inconsequential Bergmann treats daily gossip both friendly and malicious as the genre of everyday communication and thereby in need of serious analysis Utilizing discourse theory and ethnomethodology this study shifts among several kinds of terrain the sociology of language the sociology of knowledge and the sociology of culture It rests on widespread individual observations on gossip in the existing literature of social science and on the investigation of real gossip recorded in conversations in the field and reproduced here as transcribed segments By exploring the complex relations of friendship and loyalty with respect to transmitting knowledge about the personal affairs of others he develops his thesis that gossip should be defined not as a control mechanism but rather as the social organization of discreet indiscretions

Indiscretions Patricia Mellencamp, 1990-09-22 Indiscretions follows the path of U S avant garde film and video from the underground of the 1960s to the academy of the 1980s Patricia Mellencamp traces and charts the intersections of Lacanian psychoanalysis and the desiring male subject Roland Barthes and texts of pleasure Michel Foucault and the disciplinary society the grotesque body and Mikhail Bakhtin the rhizomatic alogic of Gilles Deleuze and Felix Guattari and the female subject of feminist film theory She creates a dialogue among theory and popular culture and politics through inventive readings of the films of Owen Land Hollis Frampton Ken Jacobs Bruce Conner Robert Nelson Michael Snow Yvonne Rainer and Sally Potter and videotapes by Ant Farm TVTV Michael Smith William Wegman and Cecelia Condit

Classical Indiscretions Maurizio Bettini, 2001-08-23 Rooted in the Classics but ranging over the whole of Western literary culture this book addresses many of the major issues that face us at the turn of the millennium What is our shared cultural currency What use do we make of it Why should anyone involve themselves with the Classics

Bookseller and Print Dealers Weekly, 1929

Thomas Hardy Thomas Hardy, 1992 Included in this edition are ten stories varying in length from sketch to novella which were never collected into volumes during Hardy s lifetime Some contained references to actual people or plot elements that he reused elsewhere others such as his only stories for children were simply too different from his other work in the short story form the longest An Indiscretion in the Life of an Heiress was apparently left uncollected to allow for a possible reconstruction of the lost novel The Poor Man and the Lady from which it was drawn The three final stories resulted from literary collaborations which were also emotional involvements with Florence Henniker in The Spectre of the Real and with Florence Dugdale later the second Mrs Hardy in Blue Jimmy The Horse Stealer and The Unconquerable now published for the first time Although all of these stories occupy significant positions within Hardy s career as a writer of fiction extending that career indeed both earlier and later than the standard account would allow none of them has previously received serious editorial treatment For the most part they have also been ignored or lightly passed over by critics and biographers and such discussion as they have aroused has frequently been based on false assumptions This edition remedies

some of these deficiencies in Hardy scholarship both in its historical introductions and in its critically edited texts which are based on full collations of all editions published before Hardy's death and all surviving manuscripts, typescripts and proofs many of which have gone almost entirely unexamined in the past. Complete lists of the variants in these pre-publication witnesses and in all authorially authorized printings supplement the edited texts.
