Chapter 5 Theme Be Humble & Sober, Resist & Stand Firm

5 Therefore, I exhort the elders among you, as your fellow elder and witness of the sufferings of Christ, and a partaker also of the glory that is to be revealed,

2 shepherd the flock of God among you, exercising oversight not under compulsion, but voluntarily, according to the will of God; and not for sordid gain, but with eagerness;

3 nor yet as lording it over those allotted to your charge, but proving to be examples to the flock.

4 And when the Chief Shepherd appears, you will receive the unfading crown of glory.

5 You younger men, likewise, be subject to your elders; and all of you, clothe yourselves with humility toward one another, for God is opposed to the proud, BUT GIVES GRACE TO THE HUMBLE.

6 Therefore humble yourselves under the mighty hand of God, that He may exalt you at the proper time,

7 casting all your anxiety on Him, because He cares for you.

8 Be of sober spirit, be on the alert. Your adversary, the devil, prowls around like a roaring lion, seeking someone to devour.

9 But resist him, firm in your faith, knowing that the same experiences of suffering are being accomplished by your brethren who are in the world.

10 After you have suffered for a little while, the God of all grace, who called you to His eternal glory in Christ, will Himself perfect, confirm, strengthen and establish you.

11 To Him be dominion forever and ever. Amen.

12 Through Silvanus, our faithful brother (for so I regard him), I have written to you briefly, exhorting and testifying that this is the true grace of God. Stand firm in it!

13 She who is in Babylon, chosen together with you, sends you greetings, and so does my son, Mark.

14 Greet one another with a kiss of love.

Peace be to you all who are in Christ.

Inductive Bible Study Guide:

Inductive Bible Study David R. Bauer, Robert A. Traina, 2011-04-01 Following up Robert Traina's classic *Methodical Bible Study* this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. The authors, two seasoned educators with over sixty combined years of experience in the classroom, offer guidance on adopting an inductive posture and provide step-by-step instructions on how to do inductive Bible study. They engage in conversation with current hermeneutical issues, setting forth well-grounded principles and processes for biblical interpretation and appropriation. The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms.

The Book of Revelation LeRoy Curtis, 2013-10-04 The Book of Revelation is an inductive Bible study guide. Created originally to be used to train indigenous pastors in rural Africa, this study has been used by individuals and churches as a means to deepen knowledge of Scripture. The inductive method asks three basic questions: What does the text say? What does the text actually mean? How do I apply this text to my daily life? This is an excellent guide for a church group Bible study, a course for a Christian high school or college, and for individuals who merely want an organized approach to reading and understanding the Word of God.

Philemon - an Inductive Bible Study Jan Wells, 2004-01-01 This study guides the student through the inductive Bible study methodology as a means of valuable training. The study focuses on the message for Philemon and the Christian church in the city of Colossae. The in-depth two-week course covers the many dimensions of inductive study, and this shorter lesson will challenge beginning or advanced students of the Bible. The study provides several options for the lessons: The student could complete the observation questions followed by application questions, or complete the remainder of the lesson for an in-depth study. Students could also study some of the portions of the lesson beyond the observation questions, including many word studies from the original Greek text. The study also offers a reflective time in Scripture every day, addressing the lifestyle of those who follow after Christ, and then ends with a time of worship. When a group is meeting weekly to discuss the lessons, each student will benefit from the review discussion suggested by possibilities in the accompanying leaders guide.

Genesis LeRoy Curtis, 2013-06-05 Genesis is an inductive Bible study guide. Created originally to be used to train indigenous pastors in rural Africa, this study has been used by individuals and churches as a means to deepen knowledge of Scripture. This is an excellent guide for a church group Bible study, a course for a Christian high school or college, and for individuals who merely want an organized approach to reading and understanding the Word of God.
