beginner's guide to writing a novel publishing as an independent ebook author and promoting your brand using social networks With foreword by Jim Williams author of ten internationally published novels including the Booker Prize nominated Scherzo The New Author is an excellent piece of writing combining deceptive simplicity lucidity and charm a trick which in practice is very difficult to pull off The book is also informed by considerable intelligence and analysis founded on firsthand experience Barnes explicitly warns against the trap that engagement at the required level can become obsessive and time consuming and in a couple of nice vignettes he makes his point with wit and style The New Author is a terrific companion for independent e publishing and I recommend it There are at least three reasons why you might want to buy this book 1 you want to be an author 2 you have already written a novel and want to publish it as an ebook 3 you want to promote yourself as an author This book is a beginner's guide on how to do the above It isn't a magic elixir for foolproof million copy marketing of your ebook It is based upon the experiences of this author and a broad based peer group I have to warn you right now this is not going to be an easy journey Less of a country stroll more of a trek up Kilimanjaro The good news is that almost anyone can trek up Kilimanjaro with the right support appropriate equipment and a positive attitude See you at the top The New Author is a non fiction work of 44 000 words What this book does and does not contain The scope of this edition is deliberately limited to basic novel writing guidelines first practical steps in building and operating a social media platform for authors and the process of epubliishing a novel on Amazon KDP and other market channels via Smashwords A list of recommended further reading is provided that covers the subject matter should readers wish to delve deeper into these areas This edition of The New Author does not contain a method approach to novel writing advice on publishing in print or a prescriptive silver bullet approach to ebook marketing The internet is a labyrinth of blogs websites and web based tools User interfaces are constantly being improved upgraded and changed No screenshots have been included in this book in order to avoid early obsolescence and to keep the format and page display simple and readable Hyperlinks to the internet have not been used for similar reasons and to avoid accidental use by the increasing number of ereaders with touch screens Contents Introduction Foreword Part 1 writing a novel Have you got what it takes The time space support continuum The Rules Plot and premise Planning and structure Characters Narrative Voice Tense Settings the six senses Pace the blind leading the blind Part 2 Promoting your brand using social networks Brand Nom de Plume Content the nitty gritty of your social network platform Website blog style Search Engine Optimisation SEO for your blog website Facebook Twitter Reader groups Other social networks Vignette 2 Compulsive Communication Syndrome Part 3 publishing an independent ebook Getting your manuscript into shape for publishing Kindle Direct Publishing KDP KDP reports KDP Community Amazon Author Central Smashwords AutoVetter Premium status Your pricing on the web Your ebook's reviews on the web And finally Self publishing in print Marketing an ebook Vignette 3 Under the influence social networks Ruby's Top Ten Tips for Ebook Publishing Recommended reading **Strategic Management: Competitiveness and Globalisation** Dallas Hanson, Michael A.

Hitt,R. Duane Ireland,Robert E. Hoskisson,2016-09-29 With an emphasis on global advantage the text offers a comprehensive examination of regional and international issues to provide a complete accurate and up to date explanation of the strategic management process New coverage on environmental concerns and emerging technologies as well as examples and cases from Australia New Zealand and Asia Pacific serve to engage students while updated international content demonstrates how strategic management is used in the global economy The text takes a resource based approach which requires the examining of a firm s unique bundling of its internal resources This text is appropriate for upper level undergrad usually third year post grad in Masters courses

TECHnically Connected Warren Janzen, Keep your life and your team tethered while working in your virtual environment Your team is not available to meet regularly face to face You rely on technology to communicate and collaborate While bringing you together technology also separates Work in a virtual environment can bring isolation fragmentation and that feeling of being distant TECHnically Connected draws from research interviews of those in both the for profit and non profit sectors and over 15 years of personal leadership experience to bring you practical insights that will help your team thrive without the drive The virtual environment creates new challenges to the typical elements of teaming Warren reflects on what it means to work virtually and unpacks the critical insight that when you are separated how you work as a team is even more important than who is on the team With practical examples from his experience leading a Christian non profit agency Warren shows you how to build trust work through conflict lead meetings and bridge cultures while working from a distance

Questioning the Bible Jonathan Morrow,2014-07-15 The Bible is the most influential book in human history But what are we supposed to do with it in the 21st century And even more importantly can it still be trusted as the Word of God Confusion and doubt about the Bible are becoming as common inside the church as they are outside Questions come from all sides Is the Bible anti intellectual Has the biblical text been corrupted over the centuries Who really chose the books of the Bible and why Which interpretation of the Bible is correct Are the gospels full of contradictions There are an unprecedented number of sophisticated attacks on the origin credibility and reliability of the Bible today Secularism has tried to undercut even the possibility of spiritual or moral knowledge Skepticism toward institutional religion is at an all time high Yet the Bible claims that truth is knowable and God is actively involved in our world What are we to do Pray for wisdom Think clearly Pick up your Bible Read through the 11 major challenges presented in these pages And be ready

The George W. Bush Presidency Robert E. Denton Jr.,2012-07-21 To date there are only a couple dozen or so books specifically about the Presidency of George W Bush Political operatives members of the media and former administration officials have written most of the volumes Additionally the early books on the Bush presidency focus on the various aspects and dimensions of the War on Terror In essence these studies challenge the justification of our deployment the Bush doctrine and the assumptions of nation building Few volumes focus on his quite substantial legislative record and impact There are a few academic volumes on the Bush presidency but they were completed while he was still in office They tend to be biased and uniformly negative The George W Bush Presidency A Rhetorical Perspective seeks to remedy this lack of academic investigation of the 43rd president and his rhetorical strategies This volume is unique because the contributors analyze the Bush Presidency from a largely rhetorical perspective The chapters look at the rhetoric of Bush across the contexts of domestic policy foreign policy the wars and politics in general Further this thorough study examines the Inaugural addresses State of the Union addresses and addresses before joint sessions of Congress Others analyze his political philosophy policy issues and his rocky relationship with the news media Collectively this essential text provides insight into the role of public discourse in the campaigning and governing of the George W Bush presidency
