Beyond The Music Joe Biel, 2012-10-12 Punk is notorious for its loud music aggressive attitude and safety pinned style Less well known is the radical value system that has emerged hand in hand with the sound and aesthetic Since the 1970s punks have built their music fashion and lifestyles around core values of social justice creative freedom community integrity fiercely democratic politics and do it yourself ingenuity From journalism to psychology graphic design to alternative fuel bodybuilding to the Occupy movement these interviews show just some of the ways that punk values continue to shape mainstream American life Includes interviews with among many others Ian Mackaye Nate Powell Cristy Road Ben Weasel Brea Grant Joshua Kahn Russell Wells Tower Sander Hicks Anne Elizabeth Moore and Chris Clavin and an afterword by Mark Andersen of Positive Force DC

Confessions of a Teenage Jesus Jerk Tony Dushane, 2010-10-19 Gabe is a teenage Jehovah's Witness convinced God will kill him at Armageddon for masturbating But Gabe's not alone there's Peter who writes swear words in the margins of his papers Jihyun the Korean kid who subsists on Ho Hos and Doritos and

The Social Animal David Brooks, 2012-01-03 1 NEW YORK TIMES BESTSELLER With unequalled insight and brio New York Times columnist David Brooks has long explored and explained the way we live Now Brooks turns to the building blocks of human flourishing in a multilayered profoundly illuminating work grounded in everyday life This is the story of how success happens told through the lives of one composite American couple Harold and Erica Drawing on a wealth of current research from numerous disciplines Brooks takes Harold and Erica from infancy to old age illustrating a fundamental new understanding of human nature along the way The unconscious mind it turns out is not a dark vestigial place but a creative one where most of the brain's work gets done This is the realm where character is formed and where our most important life decisions are made the natural habitat of The Social

Animal Brooks reveals the deeply social aspect of our minds and exposes the bias in modern culture that overemphasizes rationalism individualism and IQ He demolishes conventional definitions of success and looks toward a culture based on trust and humility The Social Animal is a moving intellectual adventure a story of achievement and a defense of progress It is an essential book for our time one that will have broad social impact and will change the way we see ourselves and the world

Ink on the Tracks Adrian Grafe, Andrew McKeown, 2024-08-22 This book embraces the multiplicity of forms of writing inspired by rock and roll Exploring a diverse range of formats including rock autobiography and gender race and class in American rock journalism rock obituaries rock literature and spirituality rock writing and promotion packaging and more this book identifies and prioritizes writing forms often excluded from the categorization of rock music writing Vitally the volume places rock and roll writing within a wider cultural frame often overlooked by studies of traditional white male led music journalism

From Wallflowers to Bulletproof Families Abbye E. Meyer, 2022-02-04 Uses of disability in literature are often problematic and harmful to disabled people This is also true of course in children s and young adult literature but interestingly when disability is paired and confused with adolescence in narratives compelling complex arcs often arise In From Wallflowers to Bulletproof Families The Power of Disability in Young Adult Narratives author Abbye E Meyer examines different ways authors use and portray disability in literature She demonstrates how narratives about and for young adults differ from the norm With a distinctive young adult voice based in disability these narratives allow for readings that conflate and complicate both adolescence and disability Throughout Meyer examines common representations of disability and more importantly the ways that young adult narratives expose these tropes and explicitly challenge harmful messages they might otherwise reinforce She illustrates how two dimensional characters allow literary metaphors to work while forcing texts to ignore reality and reinforce the assumption that disability is a problem to be fixed She sifts the freak characters often marked as disabled and she reclaims the derided genre of problem novels arguing they empower disabled characters and introduce the goals of disability rights movements The analysis offered expands to include narratives in other media nonfiction essays and memoirs songs television series films and digital narratives These contemporary works affected by digital media combine elements of literary criticism narrative expression disability theory and political activism to create and represent the solidarity of family like communities

Tomboy Liz Prince, 2014-09-02 Growing up Liz Prince wasn t a girly girl but she wasn t exactly one of the guys either as she learned when her little league baseball coach exiled her to the distant outfield She was somewhere in between But with the forces of middle school high school parents friendship and romance pulling her this way and that the middle wasn t an easy place to be Tomboy follows award winning author and artist Liz Prince through her early years and explores with humor honesty and poignancy what it means to be a girl From staunchly refuting girliness to the point of misogyny to discovering through the punk community that your identity is whatever you make of it Tomboy offers a sometimes hilarious sometimes heartbreaking account of self discovery in modern America

"Throw the book

away" Amie A. Dougherty, 2013-05-11 Children's literature is an excellent way to educate children on everything from social behavior and beliefs to attitudes toward education itself. A major aspect of children's literature is the importance of books and reading. Books represent adult authority. This book examines the role that books reading and writing play in children's fantasy fiction from books that act as artifacts of power: The Abhorsen Trilogy, The Spiderwick Chronicles, Harry Potter to interactive books: The Neverending Story, Malice Inkheart to books with character writers: Percy Jackson, Captain Underpants. The author finds that although books and reading often play a prominent role in fantasy for children, the majority of young protagonists gain self-sufficiency not by reading but specifically by moving beyond books and reading. **101 Great, Ready-to-Use Book Lists for Teens**

Nancy J. Keane, 2012-03-14 Building on the author's work in *The Big Book of Teen Reading Lists*, this book provides 101 new and revised reading lists created in consultation with teachers and public librarians, an invaluable resource for any educator who plans activities for children that involve using literature. Nancy J. Keane is the author of the award-winning website *Booktalks Quick and Simple*, nancykeane.com/booktalks, as well as the creator of the open collaboration wiki *ATN Book Lists*. With her latest book *101 Great Ready to Use Book Lists for Teens*, she provides another indispensable resource for librarians and teachers. The lists in this book are the result of careful consultation with teachers and public librarians and from discussions on professional email lists. These indispensable lists can be utilized in many ways for example as handouts to teachers as suggested reading to create book displays or as display posters in the library. This collection will facilitate the creation of valuable reading lists to support the extended reading demands of today's teens.

Constructing the Adolescent Reader in Contemporary Young Adult Fiction Elisabeth Rose Gruner, 2019-05-17 This book examines the way young adult readers are constructed in a variety of contemporary young adult fictions, arguing that contemporary young adult novels depict readers as agents. Reading these novels suggests is neither an unalloyed good nor a dangerous ploy but rather an essential, occasionally fraught by turns escapist and instrumental, deeply pleasurable and highly contentious activity that has value far beyond the classroom skills or the specific content it conveys. After an introductory chapter that examines the state of reading and young adult fiction today, the book examines novels that depict reading in school, gendered and racialized reading, reading magical and religious books, and reading as a means to developing civic agency. These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply critically and communally is crucial to the development of adolescent agency. Andromeda Klein Frank

Portman, 2010-12-14 High school sophomore Andromeda, an outcast because she studies the occult and has a hearing impairment and other disabilities, overcomes grief over terrible losses by enlisting others' help in her plan to save library books and finds a kindred spirit along the way. *Handbook of Research on Children's and Young Adult Literature* Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This landmark volume is the first to bring together leading scholarship on children's and young adult literature from three intersecting disciplines: Education, English, and Library and

Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory

Teaching Young Adult Literature Today Judith A.

Hayn, Jeffrey S. Kaplan, Karina R. Clemmons, 2016-11-02 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents More importantly literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads smart insightful and engaging books that are specifically written for adolescents Hayn Kaplan and their contributors address a wide range of topics how to avoid common obstacles to using YAL selecting quality YAL for classrooms while balancing these with curriculum requirements engaging disenfranchised readers pairing YAL with technology as an innovative way to teach curriculum standards across all content areas Contributors also discuss more theoretical subjects such as the absence of lesbian gay bisexual transgender and questioning LGBTQ young adult literature in secondary classrooms and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen This book has been updated to reflect the wealth of new YA literature that has been published since the first edition appeared in March 2012 and to reflect new trends in technology that influences how adolescents are reading and responding to literature

Young Adult Literature, Libraries, and Conservative Activism

Loretta M. Gaffney, 2017-02-01 This incisive study analyzes young adult YA literature as a cultural phenomenon explaining why this explosion of books written for and marketed to teen readers has important consequences for how we understand reading in America As visible and volatile shorthand for competing views of teen reading YA literature has become a lightning rod for a variety of aesthetic pedagogical and popular literature controversies Noted scholar Loretta Gaffney not only examines how YA literature is defended and critiqued within the context of rapid cultural and technological changes but also highlights how struggles about teen reading matter to and matter in the future of librarianship and education The work bridges divides between literary criticism professional practices canon building literature appreciation genre classifications and recommendations standard histories and commentary It will be useful in YA literature course settings in Library and Information Science Education and English departments It will also be of interest to those who study right wing

culture and movements in media studies cultural studies American studies sociology political science and history It is of additional interest to those who study print culture publishing and the book histories of teenagers and research on teen reading Finally it will offer those interested in teenagers literature libraries technology and politics a fresh way to look at book challenges and controversies over YA literature
